VOL. LXXXIII, NUMBER 14

ACHS Bond Referendum Set For November Vote

STROLLING ACROSS CAMPUS between sessions of the 20th annual Red Cross Leadership Training Center are these students from area high schools. They were among 82 Red Cross Youth members selected by their schoolmates and principals to attend the week-long training center at George Williams College in Downers Grove. They are, from left, Michael Short, senior at Warren Township High; Pat Brennan, Carmel High sophomore; and Julia Martin, junior at Antioch High.

Red Cross Youth Leading Program

Shall we help a blind child? Shall we send friendship kits to South Vietnamese youngsters? Or should we take friendship kits to the poor children in Chicago's inner city?

These questions and others are being proposed, discussed, and acted upon by the half a million Red Cross Youth members in RCY groups in 729 schools throughout Chicago and suburbs.

Sparking many of the discussions are 82 Red Cross Youth leaders selected by their RCY groups and school principals to attend the week-long Red Cross Youth Leadership Training Center this summer.

Attending from Lake County and representing area schools were: Julia Martin, R.T. 2, Box 312, Antioch, Antioch High; Michael Short, 7647 Meadow Lane, Gurnee, Warren Township High, and Pat Brennan, R.R. 1, Box 105, Grayslake, Carmel High.

"We knew these students had

potential for leadership or they wouldn't have been selected for the training center," says Mrs. William Marston, volunteer chairman of RCY activities for Mid-America Chapter of the American Red Cross.

"And, we were prepared for a top-notch group of teenage leaders," Mrs. Marston adds, "but we were especially excited to hear the new services and new ideas they proposed for their projects during this school year."

Mrs. Marston, whose full-time career is as principal of the Lower Latin School of Chicago, and other Red Cross Youth adult leaders and counselors met with the training center delegates during their week at George Williams College campus in Downers Grove.

"We told them about Red Cross, gave them starter ideas of what other Red Cross Youth groups throughout America and the world have done to serve their communities, then turned them loose in idea planning sessions," Mrs. Marston explained.

The teenagers this year were greatly concerned about the civil rights issues and problems of culturally deprived children in their areas.

"Let's send friendship kits to the children in Chicago's inner city," suggested one delegate. Holding the responsibility to help found a new Red Cross Youth group in his school, he decided his schoolmates might like this idea, which is a spin off of the "Tet" friendship kits Red Cross teenagers filled in 1967 for South Vietnamese youngsters. The kits contain new clothing items, games, and toys sent in time for "Tet," the celebration of the new lunar year and the beginning of spring in Vietnam.

To bring "spring" into the lives of blind or visually handicapped youngsters in this country, the teenagers discussed broadening the scope of their "Horizons Unlimited" project. RCY teens will "adopt" a blind child, and establish a friendly one-to-one relationship, taking him or her swimming, fishing, hiking, or to sports events, serving as the child's "eyes."

"Let's expand our 'parties in a box' idea for patients in nursing

homes, and plan some for children who come to the settlement houses in Chicago," suggested a teenage girl.

An RCY teenage boy built on this idea by suggesting a group plan a "joint visit." While the "joint visit" term brought laughter from the group, he explained he meant having the RCY members visit a settlement house to see what a social agency does, what its needs are, and how the RCY group could help meet them.

"In past years," Mrs. Marston noted, "our RCY groups have furnished thousands of handmade

(Continued on page three)

PTA Meeting At Antioch Hi

The Antioch Community High School PTA, in cooperation with the ACHS School Board will have their first meeting Wednesday, October 2, at 8:00 p.m. in the school auditorium.

The "Open House" will offer each parent the opportunity to meet the PTA, the School Board, the Staff and the Teachers at the high school. Each parent will run through a mini-schedule of their child's program and meet their teachers.

The officers of the PTA, Mrs. Herbert (Ruth) Claeson, President, Mr. Theodore Managan, Vice-President, Mrs. Robert (Mike) Gross, Secretary and Mrs. Richard (Lillian) Burnette, Treasurer extend to all parents and interested adults the most cordial invitation to attend.

The invocation will be given by the Rev. Kenneth Haskell, Good Shepherd Lutheran Church, Lake Villa. The G.A.A. Color Guard, Miss Lora Keenan Sponsor, and Miss Sue Toman, Captain, will present the colors. There will be a short PTA meeting, after which the parents will go through "Short Lived Chaos," or "Back to School Night."

A social hour will follow in the cafeteria where refreshments will be served, compliments of the ACHS School Board. Hostesses will be PTA Hospitality Chairman Mrs. Wesley (Louise) Camp and PTA Mothers.

A formal resolution was adopted by the Antioch High School Board Wednesday evening, Sept. 18, for a \$2,600,000 bond referendum election to take place Saturday, Nov. 16 from 12 noon to 7:00 p.m. in the three precincts. Voting will take place at Antioch Community High School, Lake Villa Grade School and B. J. Hooper Grade School at Lindenhurst.

School architect Gilbert Johnson Associates brought up the fact that costs have risen since the last bond referendum. If

\$353 Million In State Aid To Schools Set

Ray Page, Illinois Superintendent of Public Instruction, today said Illinois schools will receive \$353,000,000 in state aid during the 1968-69 school year, an increase of \$5,611,255.46 over the net annual claims for the 1967-68 school year.

Lake County's share is \$12,562,430.

Superintendent Page said the first payments for July and August have been approved and checks are being processed. Monthly claims amount to \$29,491,591. Claims are paid over a twelve month period beginning each July.

A. R. Evans, Assistant Supt. of Public Instruction in charge of finance and statistics, said, "General State Aid is a part of the Common School Fund and is allocated to the districts on the basis of a state aid formula. Under this formula, each district is guaranteed a foundation level of \$400 per pupil."

This amount comes from three sources—property tax, flat grant, and special equalization. However, in order to receive special equalization, a district must levy at least a qualifying rate, which is .84c per \$100 of equalized assessed valuation in elementary and secondary districts, and \$1.00 per \$100 of equalized assessed valuation in unit districts.

"Every district receives a flat grant of \$47 per pupil in average daily attendance in grades kindergarten through eight and \$54.05 for each pupil in average daily attendance in grades nine through twelve."

"In addition, a school district may receive special equalization. If the qualifying rate applied against the assessed valuation of the school district, plus the amount received from the flat grant, does not equal \$400 per pupil, then an amount equal to the difference is paid to the district in what is termed 'Special Equalization'. However, in the computation of special equalization in the high school districts, the average daily attendance is weighted 1.15"

Jon Nicholson of Carleton College, Northfield, Minnesota will be a guest at Antioch High School's College Night, Tues., Oct. 1. Mr. Nicholson will consult with the personnel and interested students on the curriculum and facilities of Carleton College.

there is further delay, costs could be up as much as 10%, which means the higher the cost, the less the school will get in building facilities.

The board received a letter from Mrs. Ruth Claeson, PTA president, volunteering the services of the PTA to help in every way possible to get out the vote on Nov. 16. The board was grateful for this offer and sent a letter to Mrs. Claeson indicating they would appreciate their participation.

A letter dated Friday, Aug. 23, was received by Mr. Rush from Mrs. Lucy Goff, Program Director of the USO Club at Rantoul, Ill. The summer camp band members entertained the boys at the USO with a concert. Mrs. Goff wrote: "We feel it was the finest High School music we have ever heard." She also commented on how well the students conducted themselves and how well groomed they were.

The board acknowledged the Stowe Hobby Barn's offer of a gift of art supplies for the school art department. Supplies valued

Dwyer Lashes Demos

Robert A. Dwyer, Republican candidate for lieutenant governor, charged today that "a party incapable of unifying itself is incapable of unifying the nation and the state."

During an address at a luncheon in the Elks Club in Waukegan, Dwyer cited several examples of disunity in the Democratic Party and asked:

"How can we hope that a Party so torn can unify our country and our state at this time when the United States and Illinois so desperately need unification?"

As examples of Democratic disunity on a national level, Dwyer cited the refusal by Senator Eugene McCarthy of Minnesota to endorse that party's national ticket and the recent refusal of Governor John Connally of Texas to appear with Hubert Humphrey during a visit to

Antioch GOP Golf Outing Set Oct. 9

Antioch Township Republican Club will hold its annual golf outing and dinner party on Wednesday, Oct. 9.

Tee-off starts at 9:30 a.m. at Spring Valley Country Club, 3 miles north of Antioch on Rte. 83. Cocktails will be at 6:30 p.m., with dinner at 7:30 p.m. in Lorenz's Smart Country House.

Lions Golf Outing Is Set For Oct. 2

The Antioch Lions Club will have its annual golf outing this year at Bristol Oaks, according to Bill Wilton, chairman for the affair.

The date for the affair will be Wednesday, Oct. 2, at the newly established golf course near Bristol, Wisconsin.

Prizes and dinner will follow the golf for members and guests of the club.

Pack 192 Parents Meet Mon. Night

An important meeting is scheduled for Monday, Sept. 30 at 7:30 p.m. for parents of Cub Scouts of Pack 192 and parents of prospective members of the pack. The meeting will take place at the Scout House on Main Street.

Father Henderson Honored By 600

Father Henderson couldn't have asked for a more perfect day than he experienced last Sunday when over 600 people jammed St. Peter's Church to honor the priest they love and who has served them well for the past 17 years. The occasion was Father Henderson's 40th anniversary as a priest.

Twenty former grammar school classmates of Father Henderson were in attendance. His niece, Sister Mary Alfred, who teaches in a Chicago Parochial School, came in for the occasion, as did his brother James and wife orlrm Oak Lawn.

Mass was celebrated at 4 p.m. by Father Henderson. It was a first for St. Peter's when trumpets blared as the Knights of Columbus led the procession into the church.

Children of the school made banners in many-color combina-

tions—some ornate with gold decorations. Each class had a banner in the procession. Inscriptions on some of the banners were: "Love Makes the World Go 'Round"; "Forty Years in the Service of God"; "Every Believer in This World of Ours Must Be a Spark of Light"; and "Remember Lord Your Servant".

After the mass, the people proceeded to the social center where refreshments were served.

A program was presented, MC'd by Dick Daniels who introduced many of the town's dignitaries, including Mayor Ray Toft, Mr. Albert Dittman, Supt. of Antioch High School; Dr. Albert Bucar, Pres. of St. Peter's School Board and Mr. Rudy Eckert, captain of the ushers.

Father Hanley, former assistant at St. Peter's gave a short talk and also spoke the homily.

Father Lynch of Prince of Peace Church was introduced as one of Father Henderson's old friends.

Mrs. Bernard Gutowski, Jr., as co-chairman and head of St. Peter's Altar & Rosary Society was also on the program.

The social hall was beautifully decorated by the teens and some of the students of St. Peter's and the buffet dinner was prepared and served by the ladies of the Altar & Rosary Society.

"Miss Lake Region," Colleen Gross, entertained by singing and Sue Abderholden played selections on the organ.

A short skit followed, given by the Joe Hanley family.

Father Eugene Keusal is Father Henderson's associate and was instrumental in helping plan the affair. He has only been in Antioch since June.

Antioch Library Board Project Has Setback

Construction of the proposed new Antioch Library received a setback Wednesday when the board was informed that federal funds are not available at the present time.

The board had previously been notified that a 25-per cent grant—of some \$80,000—had been approved and was forthcoming.

On the basis of that announcement the board authorized the architect to work out the working drawings for the new structure and had planned to get into the construction phase next month.

The notification of no funds at the present time was sent to Mrs. Louise Vos, president of the board, by James Beasley, secretary of the State Library Commission.

Beasley, in his letter, said that the project should be held up because the federal government had called back much of the grants that had already been approved.

He said that he didn't know at

this time whether the callback would affect the Antioch project but it would be better if no contracts were let at the present time.

The funds involved are fiscal 1968 funds not fully obligated by the state.

The withdrawal of the funds, he said, was to give the President and the Fiscal Budget Bureau the opportunity to complete its program for a \$6 billion cut in spending ordered by Congress.

Beasley indicated that the funds might be forthcoming from Washington sometime in late October or in November but no one could be sure.

He said in his letter that no bidding processes should be started and that no further work on the contract should be done.

He said that a meeting with the architects and with contractors already hired should be held in order that they were clear on what had happened.

No contracts have been let at the present time on the Antioch project, however, but it is feared that if the funds are too long in coming, construction will not begin until after the cold weather breaks next spring.

The board has been beset by problems since it first began the project. The first objection was that planning had only been for 10 years and that they had to be revised to a 20-year program.

The revision made the project eligible for the federal grant of 25 per cent.

Police To Attend School

Police officers throughout Lake County today began a course in self-defense at the William J. Wood Self-Defense School.

The first session, according to "Third Lake Police Capt. Edward Pasco, head of the school and instructor, will run from 8 to 10:30 p.m. in the Highland Junior High School, Libertyville.

Thereafter, two-and-a-half hour sessions will be held every Thursday night for 10 weeks which will take the program through November.

More than 100 police officers, including those from departments in the county, state and the military are expected to participate in the program.

Pasco, who is also Police Captain in Old Mill Creek, said that "every police department is expected to be represented at one session at least."

Heading the programming for the course is Lake Bluff Police Chief Christian Elbert who said, "We can protect the policemen by teaching self defense."

The Wood school was renamed early this year in honor of the late Lake County chief deputy coroner.

Pasco said that "Mr. Wood was concerned for others in law enforcement. He wanted to see police officers protect themselves and others."

"There will be no charge for the school," Pasco said.

Mrs. Francis (Helen) Burke is pleased to accept the position of Antioch Township Chairman for Women for Nixon-Agnew. Mrs. Richard Reed, Lake County Chairwoman, shows her the best way to recruit women to help pin them with Nixon-Agnew buttons.

Wallace Rally Set In County Oct. 2

A rally to gather support for the presidential candidacy of former Alabama Gov. George Wallace will be held at 8 p.m. Wednesday, Oct. 2, at the cafeteria building of the Lake County Fair Grounds.

Main speaker at the event will be Alabama State Sen. W. G. McCarley.

Antioch Rescue Squad Will Sponsor Course

The Antioch Rescue Squad will sponsor a 10 hour First Aid course beginning Thursday, Oct. 3 at 7 p.m. in the Rescue Squad building. No advance registration is necessary. Classes will continue on subsequent Thursdays.

WEATHER REPORT

BY TOM ROBINSON

Sept. 18 to Sept. 24

	H	L	R
Wed.	64	55	.35
Thur.	59	52	.48
Fri.	70	49	—
Sat.	81	52	—
Sun.	76	58	.02
Mon.	78	60	1.78
Tues.	72	45	.13

Last week I received the Climatological Data Report for July which covers total snowfall and number of days with one inch or more on the ground for the 1967-68 season. Snowfall was light for most of the state with the greatest (and more than usual) being around the Champaign-Urbana area. Out of 95 completed station reports, Antioch was ninth highest with 29.1" and 39 days (66-67 it was 48.4" and 39) Mt. Pulaski was highest with 35.0". Waukegan had 23.2" and 24 days (66-67 it was 68.1" and 75), Chicago O'Hare had 27.7" and 34 days (66-67 it was 67.7" and 61).

I opened my mouth, last year and put foot in it about snowfall for the coming season, soooo I'll just keep putting the report in weekly.

Our ten year average rainfall for September is 3.34", so far this month (24th) we have 4.12" with six days to go.

Support Sequoits

There is nothing like a cheering crowd to bring home a winner.

And our Antioch Sequoits are looking every inch a winner as the season progresses.

Our team started its winning ways this season by beating Salem Central in a non-conference game by a score of 13 to 6.

And they continued on by swamping Lake Zurich last Saturday by a score of 33 to 7.

We would like them to continue winning. And they have a good chance if they get the support from the local citizenry.

This Saturday will be the first home game of the season.

It would be a nice tribute to the boys to see the stands packed for this important game. It would lend them confidence and let them know that the hometown crowd is on their side.

We urge you to be there Saturday.

We will.

Get Elected First

The Republicans have already formulated a legislative agenda for a Republican-controlled 91st Congress.

We think it is a little premature.

We think that maybe they ought to win the election before they draft any proposals.

Many of the items listed are sound, legislative proposals and should be enacted. And maybe they will be.

They include electoral college reform; clean elections legislation; congressional reform; creation of a new Hoover Commission; block grants and revenue sharing; reform foreign aid; revise military draft system; improve social security; national emergency strikes; and fiscal reform.

That appears to us to be quite a mouthful.

The only thing left out seems to be apple pie, the flag and mother.

And they say the list is not yet completed.

We think better action by the GOP was a move by the House Republican Leadership last week to groom GOP candidates for their responsibilities in the 91st Congress next January.

It includes holding a nationwide series of Congressional Leadership Briefings.

First briefings have already been held for candidates in Maryland, Virginia and West Virginia. Ten more are scheduled across the country during the balance of September and October.

Some of the key cities include Los Angeles, New York City, Chicago, Denver, Philadelphia, Dallas, St. Louis, Providence, R.I., Greensboro, N.C., and Jacksonville, Fla.

One of the things to be stressed is the Constitutional duty of the House of Representatives to choose the next President if no candidate wins a majority of electoral votes.

The key is to win enough state delegations in order to be able to select a Republican Presidential candidate in the event the House is called on to make the decision.

The GOP will have to have an absolute majority of 26 state votes to pick a president—eight more than Republicans now control.

That is why we say get elected—then present the legislation.

Letters to the Editor

Through the assistance of our kind and faithful Editor friends, we were able to have another very successful festival this year. The help you have given to us, your continued interest in our efforts to add to our Building Fund, and the wonderful publicity we have received in your paper have brought our 6th Annual Fund-Raising Event to a happy close.

Our net financial returns are not as yet determined, but we were able to serve 5790 dinners on August 18. We assure you, however, that this tremendous success

would not have been possible without your help in bringing our festival to the attention of our readers. We are deeply grateful to them, too, for attending.

The Sisters' gratitude cannot be expressed in mere words, but please be certain that your kindnesses, both now and in the past, will not be forgotten. We have nothing with which to repay you, but will continue to offer our daily prayers for you and your intentions. May God bless you and reward you richly. Thank you most sincerely.

Gratefully and with our prayerful best wishes,
Sister Helen Marie, O.S.B.
and All the Sisters at Benet Lake

A workshop to train specialists in learning disabilities was held this past summer at the University of Illinois.

Your Congressman Reports....

By Cong. Robert McClory

One of the most successful projects for international understanding is the East-West Center located on the campus of the University of Hawaii at Honolulu.

This unique facility, supported by annual federal appropriations, has been established primarily to promote cordial relations and understanding between our Nation and the entire Far East.

More than 8,600 American and Far Eastern students have participated in the educational and cultural exchanges since the East-West Center was established in 1961. Today, representatives from some 30 nations of the Far East including Taiwan, Laos, South Vietnam, Indonesia, India, Thailand, and other countries are learning firsthand about our Nation. These foreign students also are providing American scholars with in-depth understanding of their respective countries. One of the major activities of the East-West Center is to train teachers who can expand the educational opportunities of the young people in the lesser-developed nations of the Far East.

Also of special significance is the emphasis on vocational training and the exchange of technological information. While such activities are quite removed from the "ivory tower" of many involved in higher education, the mass benefits which flow from such programs reach many thousands who will never taste the luxury of graduate or even undergraduate college life.

Much of the difficulty which our Nation has encountered in its relations in the Far East as well as in other areas such as Africa, Latin America, and even Eastern Europe can be directly attributable to a lack of understanding of the cultures, languages, and habits of the peoples in those areas. While the East-West Center concentrates primarily on the Far East, the significant contributions of this Center indicate that similar regional centers for educational and cultural exchange would serve important purposes.

In urging renewal of support for the East-West Center this year, Senator Hiram Fong of Hawaii concluded his statement by quoting an ancient Chinese adage: "If planning for one year, plant rice. If planning for twenty years, plant trees. If planning for a hundred years, plant men."

"The Center is planning for a hundred years. It is planning for peace. It is planting men."

Red Cross Youth . . .
(Continued from page one)
articles for various Red Cross services.

This year, Red Cross youths will have even larger goals to meet to provide tray favors, menu covers, and nut cups for holiday dinners and parties at four military and Veterans Administration hospitals in this area, she added.

"Nursing homes also request thousands of these items," the chairman noted, "and girls in the home economics classes plan to knit shoulderettes for elderly patients at Cook County Hospital."

Boys in craft classes will cut and prepare splints to be used in the Red Cross first aid classes. Teenage artists may paint murals for hospital mess halls, recreation rooms, or large wards.

Young victims of fires during the coming winter will receive free Red Cross kits of new clothing sewn by Red Cross Youth members.

A problem much-discussed by the female teenage delegates was how to get more male teenagers involved in Red Cross work, Mrs. Marston reports.

One pretty young teen suggested inviting her school's football and basketball teams to a potluck dinner served by the RCY group, with the motive of recruiting them for membership.

"To illustrate the teen power that comes from the training center, the 1967 delegates decided a worthwhile project would be a color movie telling about RCY work," Mrs. Marston points out.

Just nine months later, the premiere of "Another Day . . . A Different Way," received a standing ovation from delegates to the 1968 American Red Cross National Convention in Denver.

"We were proud to announce the color movie was conceived, written, acted and produced by teenagers in the Red Cross youth groups of Chicago and suburbs," Mrs. Marston added.

The movie, with its original music composed and played by a Red Cross rock 'n roll teen combo, will brighten many a school assembly this fall.

The 1968 training center delegates announced their goal is an "assembly with movie" at every school in Mid-America Chapter area during 1968-69. The chapter area covers all of Cook, DuPage, Lake and Will counties, plus part of Kane County.

VANDALISM—ITS CAUSE AND CURE
"Vandalism is wanton destruction of property, punishable by law. It is committed by youngsters who have never been taught respect for property."

"Vandalism, like any other act, increases rather than diminishes unless drastic steps are taken."

"Children can be advised that it is not being a stool pigeon to inform the school principal when they witness a window breaking. They can be impressed with the expense that is imposed on their parents to replace windows."

"As long as the culprits remain untouched, the vandalism will surely increase." — The Tinley Park Times.

St. Therese Signs Pact With PHS
Sister Maryann, administrator of St. Therese Hospital has signed a contract with the U. S. Public Health Service, Division of Health Mobilization, which will provide a 30-day supply of critical medical items for disaster care from the federal emergency medical stockpile.

These supplies are valued at \$7,000 and will enable the hospital to give casualty care at the time of a disaster or an enemy attack, when supplies could be depleted and supply lines disrupted for weeks.

The Package Disaster Hospital is a unit of sufficient medical supplies and equipment, cots and bedding and pharmaceuticals to complete a 200-bed hospital.

St. Therese Hospital can use this unit in times of disaster to expand its capacity or set it up as an auxiliary facility in another building.

The system provides a rotation for supplies that might deteriorate in storage.

This new program makes it possible for disaster stricken areas to receive resources needed at once at the point of greatest need.

Dwyer Lashes . . .
(Continued from page one)
Texas.

As an example of Democratic disunity on a state level, Dwyer cited differences between various Democrats on the question of endorsing a Presidential candidate and over the question of the Vietnam war: the endorsement of Richard B. Ogilvie, GOP gubernatorial candidate, by a Democratic State Senator and the vice president of the Illinois Young Democrats' Club; recent defections from the staff of Democratic candidate, and the description by a Democratic state officeholder of his party as a "feudal party."

New Members Wanted For L.C. Council On Alcoholism

The Lake County Council on Alcoholism has announced the resignation of Mr. Joseph Lerner from the Board of Directors as Treasurer and Chairman of the Public Relations Committee. Mr. Lerner has accepted the post of Copy Editor with the Milwaukee Sentinel.

Applications for membership in the Council are available. A General membership is from \$5.00 to \$9.00; a Contributing membership from \$10.00 to \$49.00 and a Sustaining Membership from \$50 to \$1000. Checks can be made payable to the Lake County Council on Alcoholism, 28 N. Genesee St., Waukegan, Ill. 60085.

Phyllis Snyder, Ex. Director of Chicago's Alcoholic Treatment Center recently remarked that "The alcoholic does not have a drinking problem—he has a sobriety problem. Human misery is the cause of alcoholism rather than the result."

The WKRS Viewpoint Program of Sept. 9 revealed that no hospital in Lake County is properly equipped to deal with the acutely intoxicated patient and that the need for such facilities is a matter of concern by hospital administrators and other professional persons.

The Council reports that booklets for the film "Thinking About Drinking" are pouring in from Lake County high schools. Thousands of teen-agers will be viewing this thought-provoking presentation concerning their decisions in regard to drinking. The film is neither "wet" nor "dry", but is a realistic explanation of the facts about alcohol. It is available for all groups.

The Council reports that approximately 14,000 persons in Lake County are afflicted with this disease, 12,000 are employed and living with their families. Their jobs and families are all affected adversely, and are in various stages of disintegration creating a whole complex of social problems. More than 70,000 Lake Co. residents are affected directly or indirectly by the ravages of this costly disease.

Absentee Voting Detailed
Illinois voters wishing to vote by absentee ballot can make application for their ballot beginning on Oct. 7, said Victor L. Smith, State GOP Chairman.

"Application for the absentee ballot can be made in person or by mail," said Smith.

Registered voters who expect to be out of the county on election day may vote in person in the office of County Clerk prior to the election.

Voters wishing to make application to vote absentee can do so until Oct. 31 by mail and until Nov. 2 in person.

Only registered voters may vote absentee.

To be a registered voter, the person must be a United States citizen, be 21 years of age or over, reside in the State of Illinois for one year, reside in their county for 90 days and in their precinct for 30 days.

Those who may vote by absentee besides those being out of the county on election day include:

1. Persons who are physically unable to appear in person at the polls.

2. Members of the armed forces while in active service and their spouses and dependents.

3. Civilian employees of the United States serving outside the territorial limits of the United States and their spouses and dependents.

4. Members of religious groups attached to, and assisting members of the Armed Forces, and their spouses and dependents.

Persons who are registered may vote either in person or by mail beginning on Oct. 21 to Nov. 2 by absentee ballot.

Voters, who are not registered, are urged to do so at once. Now is the time to register and make application for absentee voting for the Nov. 5 General Election.

Applications for NROTC Test Now Available
Applications for the Navy's twenty-third annual Regular NROTC qualification test are now available according to Fr. Fergus Lickteig, principal at Carmel High School for Boys. This nationwide examination will be given on December 14, 1968, and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interviews, medical examinations, and other factors, Fr. Lickteig explained, about 1,700 young men will enter the Regular NROTC Program as midshipmen at NROTC units in 53 colleges and universities throughout the nation.

Male citizens of the United States who will be at least 17 but not yet 21 on June 30, 1969, and who are now high school seniors or recent graduates, will be interviewed and given medical examinations next January and February.

A successful candidate receives financial aid for four years of college. This includes tuition and educational fees, books, uniforms, and \$50.00 per month subsistence allowance. After successful completion baccalaureate degree requirements and naval training, graduates are commissioned as officers in the U.S. Navy or Marine Corps.

Regular NROTC midshipmen participate in the three summer at-sea training periods with various naval units. These periods assist them in learning about the variety of interesting and challenging opportunities available to them as naval or marine corps officers.

Registrations for the test will close November 5, 1968. 1969 NROTC Bulletins containing eligibility requirements and qualifying test applications are available from Carmel's Guidance Office or the U.S. Navy Recruiting Station at 106 S. Genesee, Waukegan.

"As long as the culprits remain untouched, the vandalism will surely increase." — The Tinley Park Times.

"Study Hints" From S.I.U.

Secretary of State Paul Powell today reminded truck owners that their initial registration of the vehicles for 1969 will be for a six-month period only.

Beginning July 1, 1969, truck registrations will be changed from a calendar year to a fiscal year basis, with registrations being valid from July 1 of one year to June 30 of the next year, Mr. Powell said. Consequently, truck owners will register their vehicles again on July 1, 1969, for the full fiscal year.

The object of the new system is to coordinate truck licensing by the Secretary of State's office with truck registration by the Illinois Commerce Commission primarily to assure complete collection of fees and taxes due, but also to simplify payment of those fees and taxes by the truckers, Secretary Powell said.

Legislation establishing the new system was enacted by the 1967 session of the General Assembly, and was a part of Mr. Powell's program to improve and tighten truck registration procedures of the law.

understanding will lead to disaster."

Some suggestions: Select or create key words to represent the facts to be remembered; try to see mental pictures of whatever you read; use several short practice periods rather than one long session; recite to yourself whatever you have learned; and, trust your memory.

Other points discussed include the improving of reading ability, increasing reading speed, increasing ability to concentrate, and improving memory.

"Learn with the intention of remembering," the booklet says. "Gain an accurate understanding of the material you wish to remember."

Guest Day Sat. At U. of I. For Co. Hi Students
Lake County high school students interested in careers in agriculture and home economics should plan to attend the University of Illinois Ag. and Home-Res. Student Guest Day, September 28, 1968.

The day's program offers a chance to see a Fighting Illini football game and includes career interest sessions and a panel of students discussing University life.

Registration for Guest Day starts at 8:15 a.m. in the University Auditorium. At that time, students can purchase football tickets and box lunch tickets for \$1 each.

Interested students or school administrators desiring additional information contact Jim Tonkin, Asst. Extension Adviser, Lake County Cooperative Extension Service, Grayslake, Ill. 60030. Telephone BA. 3-5844.

NOTICE
Persuant to section 211 of the Revenue Act of the State of Ill., notice is hereby given that the COLLECTOR of Lake County will publish a complete list of all persons who are delinquent in the payment of Personal Property Tax. Such list will be published not later than October 31, 1968, and will contain the amount of the unpaid tax and the interest due.

Any person whose name appears in this list will be assessed \$1.00 to reimburse the COLLECTOR for preparing the list.

Topics for Today's Women

THURSDAY, SEPT. 26, 1968 THE ANTIOCH NEWS 4

Mr. and Mrs. Raymond Weise

Diane Seidemann Weds Nebraska Man

The wedding of Diane Elizabeth Seidemann and En 3, Patrick William Weise took place at 3:00 p.m. on Saturday Aug. 17 at St. Peter's Church, Antioch. Rev. Alfred J. Henderson officiated at the double ring ceremony.

The lovely bride, given away by her father, wore a traditional gown of chantilly and lace with a full skirt over a five tiered skirt. The gown featured sweetheart point sleeves and waist and was trimmed with iridescent sequins. The train was of lace and sequins and detachable at the shoulders. She wore a finger-tipped veil with a crown of petalled flowers, trimmed with sequins. She carried a triangular bouquet of white gardenias, white stephanotis and pink roses, backed by variegated foliage.

Barbara Diemer was Maid of Honor and bridesmaids were Mary-Claire Wiese, sister of the

groom and Carol Wieghart. John Seidemann, brother of the bride was best man and Robert Muggick and Timothy Wiese, brother of the groom were ushers.

The bridesmaids wore floor length long sleeved leaf green chiffon gowns with satin cuffs, satin self bow at empire waist. They wore matching picture hats with daisies. They carried starburst colonial bouquets of pink elegance carnations.

Jodi Marie Johnson was flower girl and ring bearer was Charles Wiese, brother of the groom.

A reception followed at The Angels Restaurant for 100 guests. The bride couple left on a honeymoon trip to Niagara Falls and Washington D.C. and are at home at 1822 Leland St., Apt. A, Charleston, South Carolina, where the groom is stationed with the Navy.

The bride is a 1967 graduate of Antioch High School, is the daughter of Mr. and Mrs. John C. Seidemann of 547 Maplewood Drive, Antioch and the groom is the son of Mr. and Mrs. Raymond Wiese of Columbus, Nebraska.

Donald Sherwood Joins Fraternity

Donald Sherwood of 340 W. Grand Ave., Lake Villa, pledged Theta Chi Fraternity at Illinois Wesleyan University, Bloomington, Ill., during formal ceremonies Saturday, Sept. 14.

The ceremony followed a week of formal and informal get-acquainted parties which began Sept. 10.

Fall semester classes began Thursday at Wesleyan.

About 47 per cent of the June 1968 graduates from the University of Illinois College of Liberal Arts and Sciences plan further study.

American Legion Auxiliary News

By Del Jahneke

At the September 13th meeting of the Antioch American Legion Auxiliary No. 748, held at the Antioch American Legion Home, 11 past presidents were entertained at the pot luck supper party meeting. Mrs. Joseph Horton, Mrs. Ralph Fields, Mrs. Walter Hills, Mrs. John L. Horan, Mrs. Anton Johnson, Mrs. Ray Rathmann, Mrs. Frank Kennedy, Sr., Mrs. Lester Zitkus, Mrs. William Dowden, Mrs. Bernard Stadick, and Mrs. Lillian Hand were the past presidents present. Each received a lovely gift (a remembrance from the Antioch Auxiliary) and all the members were given attractive "name cards," fashioned by Mrs. R. Rathmann, Chairman.

Reports of the state auxiliary convention were given by Mrs. Kennedy and Mrs. Rathmann. The meeting was conducted by Mrs. Stadick, President.

JOINT INSTALLATION

The joint installation of officers of the Antioch American Legion and the Auxiliary was held on September 19, at the Antioch American Legion Home.

As is customary, the unit installation was held first, with Mrs. Richard Brady, Gurnee, District Director, as the Installing Officer; Mrs. John Mould, Wauconda, District Alternate Director, as Installing Sergeant-at-Arms; Mrs. Walter Hills, Installing Chaplain; and Mrs. Lester Zitkus, Installing Musician. Both Mrs. Hills and Mrs. Zitkus are Antioch unit past presidents.

Mrs. Bernard Stadick was installed to serve her second term as President; Mrs. Trudy Nelson, first vice-president; Mrs. Bernard DeVries, second vice president; Mrs. Frank Kennedy, Sr., secretary; Mrs. Zitkus, treasurer; Mrs. Edward Jahneke, historian; Mrs. F. A. Swenson, chaplain; and Mrs. Ray Rathmann, as the sergeant-at-arms.

Mrs. Stadick was presented with her past president's pin, a gift from the Antioch American Legion Auxiliary, and she received her unit press book and unit history from Mrs. Jahneke, publicity chairman and historian.

The Post officers were installed by District Commander Dan Karsa of Mundelein, and his corps of District officers. The new Commander is Al Fronck; Senior vice commander, Bernard DeVries, Junior vice commander, Donald Gaston; adjutant, Edward Frazier; finance officer, John W. Horan, Jr.; chaplain, David Kulken; service officer, F. A. Swenson; sergeant-at-arms, Andrew Kalnick; and junior past commander Bernard Stadick.

A citation was presented to Alex Hoffman, post chaplain for many years, who now resides in Glenview. Mrs. Hoffman and many of the Hoffman daughters, sons and grandchildren came to the installation from Winnetka, Hubbard Woods, and Glenview, to see Mr. Hoffman receive this honor, from Junior Past Commander Stadick.

Commander Fronck gave a welcoming speech to the audience of approximately 175 members and guests, with many officers and guests from the VFW Post and Auxiliary of both Lake Villa and Antioch.

The Premier Boy's State Gary Doolittle, spoke to the group of his experiences and the vital knowledge he gained on political science, while at Boy's State. Mr. and Mrs. Russell Doolittle, his parents, were among those present.

The Algonquin R-Lettes Girls' drill team both advanced and retired the Colors of the post and the unit. The drill team also gave an impressive drill exhibition. They are sponsored by both the American Legion and the VFW of Algonquin and McHenry.

Past Commander Stadick was given his Past Commander's Cap by his daughters, and received a desk set from the Post. Since this was his second term as Commander, he had already been given his past commander's pin.

Members and guests were there from nearly every corner of Lake County. Delicious refreshments were served after the installation.

Social Notes

By Del Jahneke

Mrs. Joseph Rhymer, Antioch, accompanied by her friend, Mrs. Ruth Beehm of Waukegan, recently returned from a 15 day Car Tan DeLuxe Jet tour of Hawaii. While there, they visited Oahu, Kauai (known as the grand canyon of the Pacific); Maui, where the far from dormant Volcano Kilauea is located; and took a cruise around Pearl Harbor. They were deeply impressed with the national cemetery of war dead in the Punch Bowl Crater, and saw Ernie Pyle's grave, surrounded by graves of unknown soldiers. The luxurious foliage and unusual, beautiful flowers enhanced their delightful stay in Hawaii.

The Bernard Stadick family were hosts to Mr. and Mrs. Ben Stadick of Chenoa, Ill., and Mr. and Mrs. George Regennout of Odell, Ill., on the previous weekend. The Ben Stadicks and the Regennouts are Bernard's parents, and uncle and aunt, respectively.

On September 15, a family barbecue birthday celebration was held at the Thomas Jacobson home, Beach Grove. The James Jacobson family: Mr. and Mrs. Andrew Jacobson, all of Berkeley, Ill.; the Don Rodgers family, Oakwood Knolls, and the James Ruhl family of Zion, all helped "Tom" Jacobson celebrate his birthday.

The Ray Rathmanns of Oakwood Knolls, were instrumental in the highly successful surprise 20th wedding anniversary party, held on Mr. and Mrs. William Mandel of Dolton, Illinois, on Sunday, Sept. 22. The Pat Cospers of Wheeling, Ill., Mrs. E. Wenthe, Chicago, and approximately 25 relatives and guests, all helped to make this anniversary a "most special" occasion for the Mandels. Mrs. Mandel, Mrs. Cospers, and Mrs. Wenthe are the sisters and mother of Mrs. Rathmann.

The senior Ed Jahnekes, Beach Grove, were recent guests at a fresh salmon fry, with the salmon having been flown in from the Pacific Ocean a day earlier, at the Robert Hansen home in Gurnee. Some nine couples and 12 children thoroughly demolished a 24-lb. salmon. "Very delicious" was the consensus.

The Robert H. Dunlap, Jr., family, Grass Lake, entertained some 12 couples of the Fellowship group of the Antioch Evangelical Free Church, at a pot luck steak fry supper, at their home, on Sept. 13.

Grace Bemis Curtis

C.S. Lecture At Lake Forest H.S. Friday Evening

Grace Bemis Curtis, C.S.B., will deliver a Christian Science lecture in Lake Forest High School this Friday evening (September 27).

"Loving to Live" is the title of Miss Curtis's lecture. It will be presented at 8 p.m. in the high school auditorium, 1285 North McKinley Road.

First Church of Christ, Scientist, Lake Forest, in co-operation with First Church of Christ, Scientist, Antioch, and four other Lake County Christian Science Churches are sponsoring this lecture.

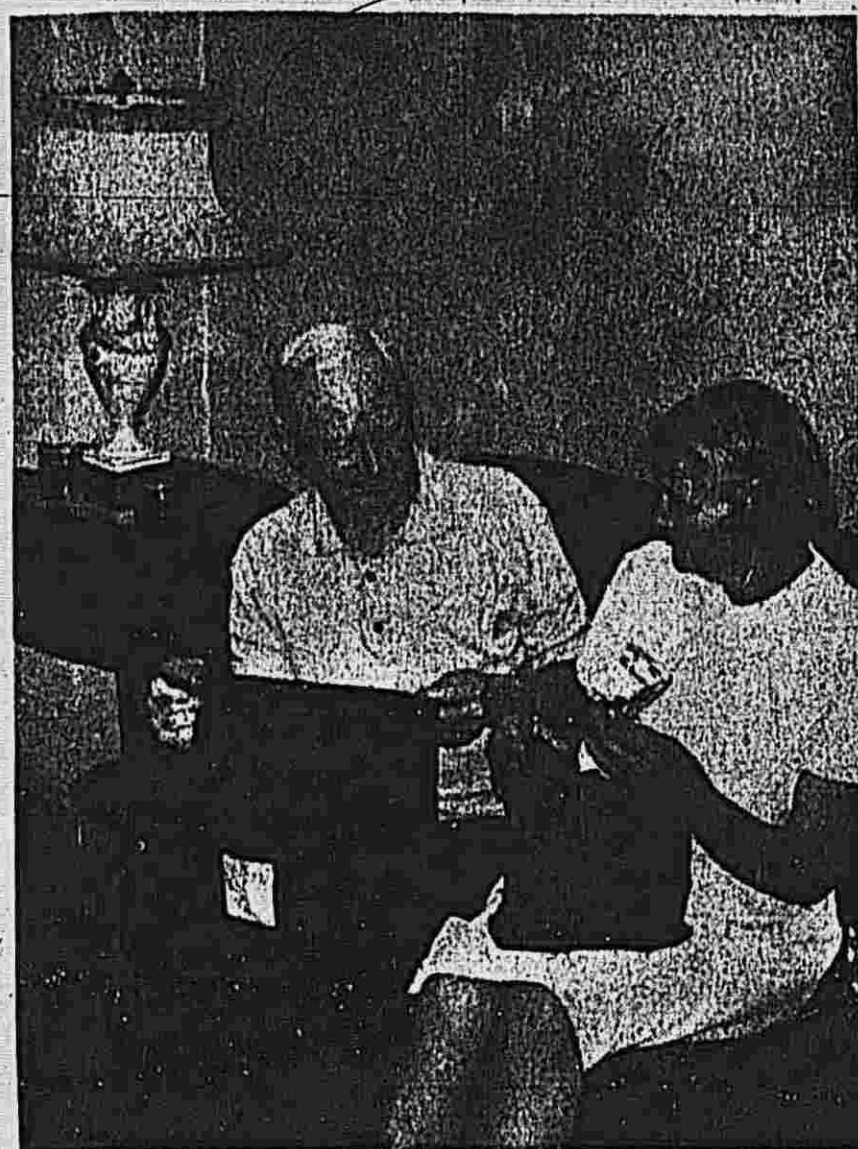

Miss Curtis is a Christian Science practitioner and teacher from Pittsburgh, Pa. Prior to devoting a number of years to the healing ministry of Christian Science, Miss Curtis was a concert pianist and studied music privately with two students of Franz Liszt. Miss Curtis was just appointed to The Christian Science Board of Lectureship in June and this will be her first lecture in Northern Illinois.

The lecture is open to everyone and admission is free. A nursery will be provided for the care of small children. Although there will be ample seating for those who attend, you may call the Christian Science Reading Room in Lake Forest (234-0020) for reserved seats.

Patricia Spychala Attends Northwood

Northwood of Indiana, at West Baden began its second year of existence, and announced an enrollment increase of about a third over that of last year according to provost, Adolph C. Fossum. Among the 400 full time students is Patricia Lynn Spychala of Antioch, whose parents are Mr. and Mrs. S. Spychala, Jr. Miss Spychala is majoring in Elementary Education.

It's easy to place a classified—Just dial 395-4111.

Mr. Walter E. Holmberg shows ditty bag he received from a Red Cross volunteer in 1917. His wife shows him 1968 Christmas ditty bag that will be sent to American servicemen in Vietnam.

Where The Boys Are

DAVISVILLE, R. I., Sept. 17—Chief Air Controlman Guthrie Riley, USN, 32, son of Mrs. Robert Riley of Route 1, Trevor, Wis., and husband of the former Miss Marie P. Ries of 944 B, Edwards Court, USNS Mayport, Fla., is preparing to spend four months in Antarctica as a member of the Antarctic Support Activities.

He will fly to Christchurch, New Zealand, in early October and then on to Antarctica in support of Operation Deep Freeze 1969. He will spend the austral summer from October to March "on the ice" and then return to Davisville, R. I., for preparation and training of new personnel.

In addition to its primary task of operating, supplying, manning and maintaining all U. S. bases in Antarctica, the support activities also provide weather forecasting and aircraft flight service on the continent.

Operation Deep Freeze supports scientists conducting year-round scientific investigation and except for radio communication, they remain isolated from the rest of the world until the October after their deployment.

Pvt. Earnest L. Franks, son of Mr. and Mrs. Audie Franks of Antioch and husband of Margaret Franks of Antioch, is now assigned to the 610th Engr. Co. near Saigon, Viet Nam.

PFC Terry Harrison, son of Mr. and Mrs. J. Harrison of 880 Hillside Ave., Antioch, left for Vietnam Sept. 3.

He took his basic training at Ft. Campbell, Ky., and Ft. Ord, Calif., and is now serving in South Vietnam.

TRUCKS PAY TAXES

One out of six vehicles is a truck and trucks each year pay over one-third of all highway user taxes. In 1966 this amounted to about \$4.2 billion.

Carmel Names Bob Taylor As Merit Semi-Finalist

Fr. Fergus Lickteig, O.Carm., principal at Carmel High School for Boys has announced that Robert J. Taylor has been named Semifinalist in the 1968-69 National Merit Scholarship Program.

The 15,000 Semifinalists appointed today are among the nation's most intellectually able high school seniors and will compete for some 3,000 Merit Scholarships to be awarded in 1969.

The Semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test, given last February in 17,500 schools nationwide. They constitute less than one per cent of the graduating secondary school seniors in the United States.

CHRISTIAN SCIENCE CHURCHES

"And Abram said unto Lot, Let there be no strife, I pray thee, between my herdmen and thy herdmen, for be ye brethren."

This verse from the Book of Genesis is part of the Lesson-Sermon titled "Reality" to be read in all Christian Science churches this Sunday.

At First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, services will begin at 11 a.m.

Related passages from the denominational textbook also will be read. Among these will be the following: "ABRAHAM. Fidelity; faith in the divine Life and in the eternal Principle of being" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

FUNERAL NOTICES

RUSSELL W. ELLIOTT

Russell W. Elliott, 41 years old of 2620 Blanchard Road, Waukegan, passed away Thursday, Sept. 19, at 1:27 p.m. from injuries received in an automobile accident on Hwy. 41 and Town Line Road. He was born March 31, 1927 in Evanston, Ill., then moved to Antioch in 1948 and to Waukegan in 1963. He served in the Army during World War II. He was a member of St. Peter's Church in Antioch. He had worked as manager of restaurants in the area.

He was preceded in death by a son, Russell W. Elliott, on Jan. 16, 1967, and his grandmother, Mrs. Anna Witt on March 5, 1968.

Survivors are two sons, Steven B. Elliott, of Waukegan, and Peter J. Elliott, of Niles, Ill.; two daughters, Barbara A. Elliott, of Waukegan, and Sharon L. Elliott, of Niles, Ill.; his mother, Mrs. May Elliott Carson, and one brother, Jack Elliott, both of Waukegan.

Requiem Mass was held at 10:00 a.m. Saturday at St. Peter's Church in Antioch. Interment was in Mt. Carmel Cemetery in Antioch. Prayers were recited Friday evening at the Sifang Funeral Home.

MRS. MARGARET O. BISTRICK

Mrs. Margaret O. Bistrick, 60 years old of Salem, Wis., passed away at 5:45 a.m. on Monday, Sept. 23, in Kenosha Memorial Hospital after a two year illness.

She was born Oct. 5, 1907, at Salem, Wis., the daughter of William G. and Mary V. Gnot Powell. She moved to Kenosha in 1925 and then back to Salem in 1953. She married Joseph E. Bistrick on Oct. 24, 1925 in Kenosha and he died in 1965. She was also preceded in death by three brothers, Irving, Milton and Herbert Powell.

Survivors are two daughters, Mrs. James (Lorraine) Brooker, of Sunnyvale, Calif., and Mrs. Frank (Donna) Hartnell, Kenosha, Wis.; five sisters, Mrs. William (Harriet) Kaphengst, of Salem, Mrs. Edwin (Edith) Sawinski, Milwaukee, Mrs. LeRoy (Alice) Voss, Milwaukee, Mrs.

Lester Henning of Lake Villa

Alta Bodus, Milwaukee, and Melis Virginia Powell, Milwaukee; six grandsons and one great-grandchild.

Funeral services were held Wednesday at the Strang Funeral Home in Antioch. Rev. Donald Ott of the Wesley United Church of Kenosha officiated. Interment was in Salem Mound Cemetery near Silver Lake, Wis.

JAMES C. HOLIMON

James C. "Jimmie" Holimon, 59 years old of 452 Maplewood Drive, Antioch, passed away on Sunday, Sept. 22 at 2:45 p.m. in Downey VA Hospital at North Chicago after a two year illness. He was born Nov. 2, 1908 in Crossett, Arkansas, and moved to Valparaiso, Ind., then to Antioch 26 years ago.

He was last employed as a cleaner and spotter for the Nu-Gro Cleaners in Zion. He had served in the U. S. Navy during W. W. II. He married Ann Katherine Gregory on April 2, 1949 at McHenry, Ill.

He was preceded in death by a daughter, Nancy Carol Holimon on April 28, 1958, his mother, Reola Holimon in 1958 and one sister, Miss Clausselle Holimon.

Survivors are his wife Katherine, one daughter, Miss Patricia K. Holimon, at home, his father, James L. Holimon, Clarksdale, Miss., one sister, Mrs. Grace (Boyd) Green, Clarksdale, Miss., four brothers, J. L. Holimon, Guine, Ill., Wilson Holimon, Kenosha, Wis., Donald Holimon, Marquette, Ill., Wayne Holimon, Clarksdale, Miss.

Funeral services were held at 8:00 p.m. Tuesday at the Strang Funeral Home in Antioch. Rev. Harold I. Nelson of St. Mark Lutheran Church at Lindenhurst officiated. Interment was in Promised Land Cemetery at Hamburg, Arkansas.

was employed as a bus driver and custodian.

Mrs. Anna Marie Wilson was employed as a part-time cafeteria helper.

Mr. Polley reported on some bussing problems. Two busses were ordered in February but have not been delivered. One of the old busses broke down and with the problem of increased enrollment and additional trips to Waukegan for the trade school program, has presented a bus problem.

The board authorized a contract with Ben Michelaw of Grayslake who operates an authorized bus rental service to rent a bus for two weeks at \$30.00 per day until the new busses arrive.

The board authorized the administration to get bids for the purchase of another bus.

President William Brook appointed two committees for 1969. William E. Petty will chair the Salary Committee and Robert Lindblad and Robert Denman will be committee members. Dr. Albert Bucar was named chairman of the Curriculum Committee with Bette Meyer and John Blackman as committee members.

Dr. Albert Bucar was named representative to the Lake County School Board Association with Bette Meyer as an alternate.

Bazaar At Lake Bluff Friday

Women from United Methodist Churches from throughout northern Illinois will team up on Friday, Sept. 27, to stage a fall festival, "Under the Big Top," for the benefit of the Lake Bluff Children's Home, Lake Bluff.

The campus at the home will take on a holiday atmosphere with scores of gaily-decorated booths and a midway. The public is invited to attend this annual event sponsored by the Women's Auxiliary of the home.

The festival will be held between 10 a.m. and 2:30 p.m. at the home at 200 Scranton Ave., Lake Bluff. Lunch will be served continuously beginning at 11 a.m. until 2 p.m.

Mrs. Robert White and Mrs. T. F. Ramsey of Grayslake are co-chairmen of the project.

The Lake Bluff Children's Home, founded in 1885, is a voluntary, non-sectarian, multi-function child welfare agency.

College Night Oct. 1 At ACHS

College Night will be held at the Antioch Community High School on Tuesday, October 1, beginning at 7:30 p.m. Students and their parents will have the opportunity to meet with representatives of more than 25 colleges and universities.

Juniors and Seniors are invited to attend together with their parents.

Spaghetti Dinner At G.L. School

Grass Lake Pack 80 Cub Scouts are sponsoring a spaghetti dinner Sunday, Sept. 29. Serving will be from 12 noon to 6 p.m. and the public is invited.

The menu will feature spaghetti and meat balls, salad, rolls and butter, beverage and dessert. Tickets may be purchased at the door - and pre-schoolers are free.

Judy Hevrdejs Elected President of Jr. Leader Group

The Lake County 4-H Club Junior Leaders Organization celebrated its first birthday in August, with a picnic on Cedar Lake.

At an election dance on Sept. 15, the group elected the following officers: President, Judy Hevrdejs, Antioch Adventurers Club; Vice - President, Karen Pelz, North Prairie Club, Wadsworth; Secretary, Mary Kay Nachowicz, Mundelein Elv's Club; Treasurer, Rick Kubetz, Chiffin O' Lakes Club; Reporter, Lynn Nachowicz, Mundelein Elv's Club; Corresponding Secretary, Gail Hoffman, North Prairie Club; Sergeant at Arms, Richard Tekampe, We Willing Workers Club, Wauconda.

The Junior Leader Organization meets on the second Sunday, bi-monthly for a social or business meeting. Guests are invited to attend all social meetings.

The organization officers meet monthly to program countywide activities. Programming includes leadership training, plans for participation in and conduct of county 4-H activities, assistants to 4-H adult leaders, community service plans, and recreation.

JLO membership is open to all Lake County high school age and older 4-H Junior Leaders.

Rummage Sale At H.P. Church

The annual Fall Rummage sale of the Bethany United Methodist church, Laurel Ave. and McGovern Street, in Highland Park will be held Wednesday, October 2nd from 7:00 p.m. to 9:00 p.m. and on Thursday, October 3rd from 9:00 a.m. to noon, in the fellowship hall of the church, entrance from the parking lot.

No longer needed articles including clothing, bric-a-brac, books, furniture, appliances, dishes, kitchen utensils, jewelry, furniture, will be welcomed at the church for use in the sale.

Mrs. Lynn Shiffer is general chairman, and Mrs. Claude Brown, co-chairman, and assisted by members of the Men's Club.

Coffee and-will be served during the sale by Mrs. A. O. Christman for a nominal fee.

Pick-up service can be arranged by calling Mrs. Shiffer 831-2317; Mrs. Brown, 831-9202 or the church office 432-2269. All merchandise must be at the church by Monday evening Sept. 30th.

Lindenhurst News

MEN'S CLUB NOMINATES

Joe Cassidy was nominated for president of the Lindenhurst Men's Club for 1969, at a special meeting called last Thursday evening. Named to fill the vice president spot was Jim Walsh. Mike Fidanzo and Jerry Nordness are candidates for the secretary position. Ted Flanagan and Tom Thornley are aspirants for the treasurer's job. Nominated for the executive board were Ray Parpan, Mike Fidanzo, Bob Bunkelman and Ernie Garcia. Two are to be elected. The outgoing president, Jack Kempher, will be the third member of the executive board. Sgt.-at-arms will be either Ray Parpan or Tom Thornley. Election will be held at the October 3 meeting. The new officers will take office in January, 1969.

Business discussed at their regular meeting, Sept. 5, was the painting of the Civic Center from top to bottom, indoors, on Sept. 30. The Men's Club Golf League is planning its league dinner on Oct. 19 at the Renwood Country Club. Trophies will be awarded that day.

TROOP 216 EARN BICYCLE BADGE Twenty-one Junior Girl Scout Troop 216 members earned their Bicycle Badge when they went on a bicycle hike on Sept. 14. They left the Lake Villa Community Methodist Church at 10 a.m., rode to Cedar Lake Road, then cycled down to Monaville Road then over to Sara Drive in Venetian Village, to Miltmore Beach. There they caught frogs and fished, and ate their lunch. Accompanying them were Mr. and Mrs. Bill Garrison and Mr. and Mrs. Lawrence (Geri) Hogan. Mrs. Hogan is leader of Troop 216. Her co-leader is Mrs. Carol Lee Simonson.

RUSY SUMMER

After completing his second year at Diablo Valley College, Marty Rezmer, son of George and Ann Rezmer, Normandy Drive, Lake-Villa, enlisted in the Marine Reserves and took his six weeks of basic training at Quantico, Virginia. Upon completing his training Labor Day, he flew home to visit his parents and brother, John.

A week ago Saturday he flew back to California to get ready to drive to San Luis Obispo College. He is studying to be an engineer.

BABY SHOWER

Mrs. Gary (Barbara) Thompson, 2211 Streamwood Dr., Grandwood Park, was guest of honor at a baby shower on Sept. 8 in the home of Mrs. Donald (Mickey) Spahn, 207 Valley Dr., Lindenhurst. Also hosted by Mesdames Carol Callendo, Mary Lou Slazen, Bobbie Thayer and Annette Stollenwerk. Fifteen ladies attended the surprise shower. The Thompsons lived at 207 Valley Dr., where the Spahns now live, about two years ago. They have two little girls, Lisa, 5 1/2 and Lori 4 1/2. Their third child is expected around Oct. 9.

VACATION

John and Rae Gibbons and their five children, Kevin, Scott, Kelly, Susan and Sharon spent a week fishing up at Cass Lake, Minn., just before school began.

ANNIVERSARIES

The 9:30 a.m. Mass at Prince of Peace Church on Sept. 27, will be a Mass of Thanksgiving for Mr. and Mrs. Dominic Wilhelm's 57th wedding anniversary. Fred and Jean Beller will be celebrating their 28th wedding anniversary on Sept. 28.

Pastor and Mrs. Harold Nelson will be celebrating their 26th anniversary on Sept. 26.

Mr. and Mrs. Earl (Ing) Spiegler, 62 N. Fairfield Rd., Lindenhurst, celebrated their silver wedding anniversary on Sept. 14 at the Lindenhurst Civic Center. Over 100 friends, neighbors and relatives attended the cocktail hour preceding the dinner and stayed for the dancing that lasted until around 1:00 a.m.

Antioch, Illinois

**Today's electric dryer
runs for pennies a week.**

**The dollars saved buying one
could run it for years.**

Even before you plug in your electric dryer, you've saved money. That's called beginning economics. An electric dryer can cost you as much as \$40 less than a gas dryer.

Once you plug it in, your electric dryer will cost you less than 30¢ a week.* Subtract that from the \$40 it's possible to save in the first place, and you'll be paid-up for years ahead. (That's called practical economics.)

Meanwhile, your electric dryer keeps giving your laundry the same gentle, radiant heat it would get from the sun. With at least one added advantage: every day is sun-day.

Any machine that can save laundry for a rainy day (and let you bank on sunshine) ought to be worth a fortune. And it is.

It just doesn't cost a fortune.

Commonwealth Edison Company

Com. Edison To Spend \$1.6 Billion In 5 Yrs.

Chairman J. Harris Ward Wednesday announced a new Commonwealth Edison Company construction program calling for expenditures of \$1.6 billion in the five years, 1969 through 1973, and said the company plans to build a new coal-fired generating unit at a downstate Illinois location.

Edison's previous construction program covering the five years through 1972 called for an expenditure of \$1.4 billion.

Mr. Ward said the new program includes provisions for a new 800,000 kilowatt generating unit to be authorized for service before the summer of 1972. He said the company has asked for bids on a turbine-generator and boilers for the unit but indicated that no site determination has been made.

"With demands of our customers growing at an unusually rapid rate, we must provide additional capacity to meet 1972 electric power requirements," Mr. Ward said. "In addition to meeting this rapid load growth, the new unit, along with 1,237,000 kilowatts of peaking capacity installed or on order, will serve as insurance against possible delays in service dates of some of the nuclear units being built for us."

According to Mr. Ward, Edison's 1968 construction expenditures will be approximately \$320 million. Under the \$1.6 billion program for the next five years, as now forecast, expenditures will be approximately as follows: \$365 million in 1969; \$350 million in 1970; \$380 million in 1971; \$225 million in 1972; and \$290 million in 1973.

The 1969-73 program contemplates outlays of \$850 million for electric generating facilities; \$710 million for electric transmission and distribution and \$40 million for all other plant.

Ward said Edison's construction expenditures will require about \$725 million of outside financing, in addition to a \$75 million issue of first mortgage bonds scheduled for public offering through competitive bidding next Tuesday.

Mr. Ward pointed out that the Edison construction program, including the size and type of generating units ordered, is subject to continuous review and modification depending on changing business conditions, revisions in Federal income tax laws and variations in pricing and delivery schedules.

Great Lakes Has Job Openings For Printing Trades

The Great Lakes Office, Interagency Board of U. S. Civil Service Examiners for Illinois, Building 3400, Great Lakes, Illinois, has announced a need for a limited number of printing trades on the evening shift, 3:30 p.m. to 12:15 a.m., with the U. S. Army, Fort Sheridan, Illinois.

The jobs to be filled are Plate-maker at \$3.53 per hour and Press Operator, Offset at \$3.20 per hour. Two years of experience is required for Plate-maker and one year of experience is required for the Press Operator, Offset.

Full information and application forms may be obtained from the Great Lakes Office, Interagency Board of U. S. Civil Service Examiners for Illinois, Building 3400, Great Lakes, Illinois, 60088, or most post offices in which the announcement is posted.

In addition to the 800,000-kilowatt unit planned for 1972 service, Edison will install 573,000 kilowatts of peaking capacity by next summer. The new fast-start-up units will supplement 664,000 kilowatts of similar capacity already installed.

The Edison construction plans also include six nuclear generating units scheduled for service between 1969 and 1973. Two 800,000-kilowatt units are being added to the existing 200,000-kilowatt Dresden station, near Morris, Ill. Two more 800,000-kilowatt units are being installed in a new Quad-Cities station near Cordova, Ill., and two 1,100,000-kilowatt units are to be installed in another new nuclear station in Zion, Ill.

Iowa-Illinois Gas and Electric Company will have a one-quarter ownership interest in the Quad-Cities' two units.

Allowing for the retirement of older equipment, the scheduled generating additions will increase about 15,600,000 kilowatts. The Edison's net capability by 1973 to company's present net generating capability is 9,771,000 kilowatts.

S.S. Reports Can Be Made At Waukegan Office

Social security beneficiaries in Lake or McHenry Counties who need to report changes of address or other events that affect the payment of their monthly benefits may now do so through the Social Security Office at 2500 West Grand Avenue in Waukegan, Illinois.

Barnett, District Manager, said today. Reports may be made by mail, telephone, or personal visit.

Barnett said that up to now beneficiaries were encouraged to notify the Social Security Administration about the occurrence of these events on postcard forms pre-addressed to one of six social security record centers throughout the country. Beneficiaries received the postcard forms when they initially applied for monthly benefits.

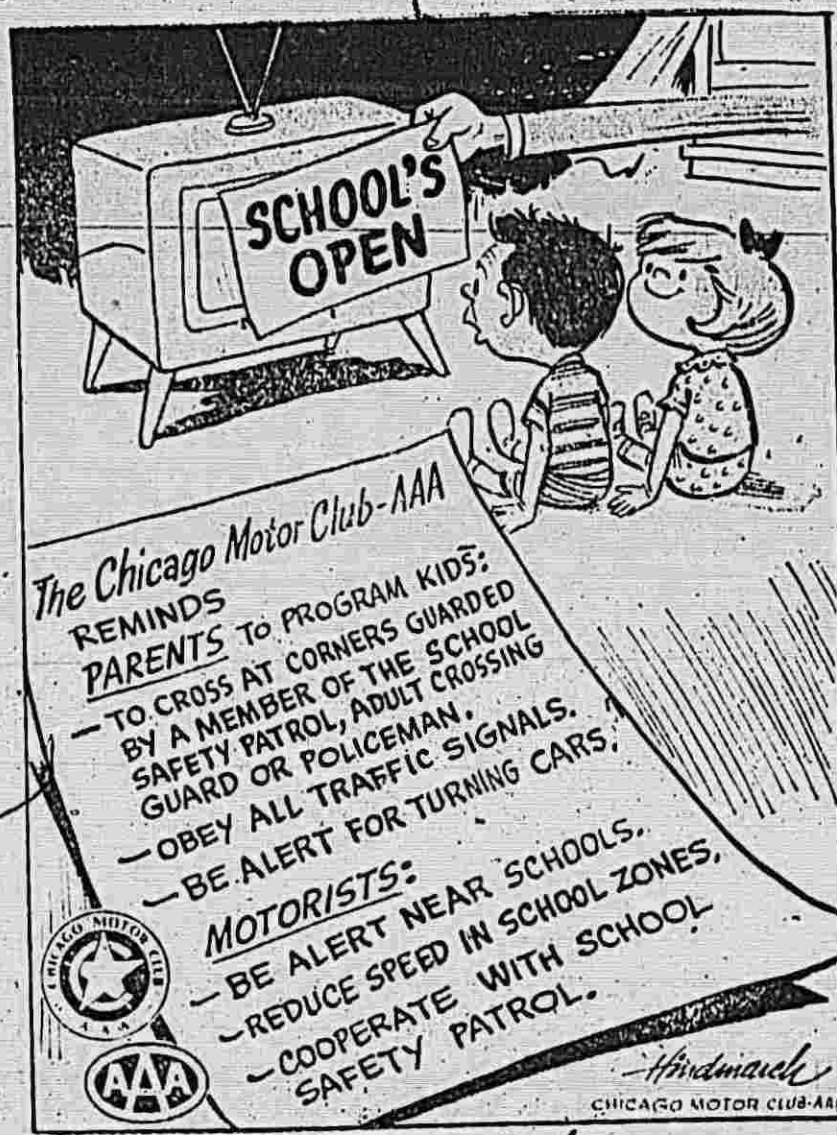

Barnett said that the change in reporting methods is designed to reduce the time needed to change addresses and process other information having an effect on payment of monthly benefits. The change is prompted by the increased capacity of social security district offices to transmit the information over high speed communication circuits to record offices.

In addition to address changes, Barnett said that events that affect receipt of monthly social security checks, include employment, marriage or remarriage in some instances, divorce, and death.

RAINFALL BELOW NORMAL
Illinois rainfall for the summer of 1968 was slightly below normal, but totals in most sections of the state, combined with near-normal temperatures, are not expected to be limiting the crop production, State Water Survey, reported.

June through August rainfall was 10 to 15 per cent below season normals in most of Illinois and dropped to 30 per cent below normal in the southwest. However, northeastern and east-central Illinois had summer totals 1.5 inches above normal.

Methodists Celebrate Formation Of New Denomination In Elgin

Rev. Donald Cobb of the Antioch Methodist Church was one of the United Methodist churchmen of the northern nineteen counties of the state who helped celebrate the formation of their new denomination in Elgin's First United Methodist Church last Saturday. The new national denomination of over 11,000,000 was formalized this summer by the merger of the Methodist and Evangelical United Brethren churches.

Saturday's all-day meeting was the "Organizing Session of the Northern Illinois Conference of the United Methodist Church," with clergy and lay delegates from 470 churches (402 Methodist and 68 E. U. B.) representing 220,000 church members and a total constituency of over 400,000 children, youth and adults.

The organization and incorporation of the Northern Illinois Conference followed along with elections of officers, boards, commissions, committees, directors of the United Methodist Foundation and adoption of the Standing Rules to complete the organizing phase.

The Saturday session, presided over by Bishop Thomas M. Pryor of the Chicago Area, took action on the Northern Illinois churches' role in the raising of their share of the \$20,000,000 national drive for the Fund for Reconciliation that is designed to aid in meeting the urban crisis.

A service of Holy Communion concluded the day's meeting.

Harvard Club Winner In PMA Contest

The Harvard A's 4-H Club of McHenry County has been awarded the grand championship at Kankakee, in an 11-county 4-H dairy promotion program sponsored by Pure Milk Association this past summer with the cooperation of the University of Illinois Extension Service and the American Dairy Association of Illinois.

Competing in the program were 42 Illinois 4-H clubs with an estimated total membership of 1,100 boys and girls in 11 counties including Lake and McHenry.

The grand championship award, a traveling trophy, was won by the Harvard A's 4-H Club for doing the most effective job promoting milk and other dairy products. The club's leaders are Mr. and Mrs. John Maguire, 5507 Irish Lake, Harvard.

The grand championship trophy was awarded at a banquet sponsored by the American Dairy Association of Illinois at the Redwood Inn near Kankakee. It was presented by the principal speaker, A. L. McWilliams, PMA general manager.

Assisting in the presentation was Miss Judy Schaeferberger, the 1968-69 American Dairy Princess of Illinois.

Emcee for the banquet was Gordon Ropp, Rt. 1, Normal, treasurer of Pure Milk Association district 21 and secretary-treasurer of the American Dairy Association of Illinois.

The Harvard A's also won the first-place award for McHenry County.

History Quiz

- Which Illinois Civil War Regiment suffered the greatest number of casualties?
- When was the first act establishing a public school system in Illinois passed?
- Where was the "eighth" Lincoln-Douglas Debate reportedly held?
- Who was Illinois' first author of distinction?
- What is the Last Bell of Nauvoo?
- For what was the river packet Sucker State famous?
- When did the Indians cede the last of their Illinois lands to the United States?
- When was railroad commuter service for Chicago started?
- For whom was Fulton County named?
- The Chicago (railroad) Terminal District covering 1,750 square miles, is larger than what State?

HISTORY ANSWERS
1. The 9th which lost 576 men killed or wounded.
2. 1835. However, the act was quickly made impotent by revisions. It was during the 1850's that several measures were passed that became the foundation of the present system.
3. A story, now discredited, long persisted that Lincoln and Douglas met by chance at Turner's Junction near West Chicago and engaged in an impromptu debate.
4. James Hall, an early resident of Shawneetown and Vandalia, who wrote "Legends of the West," "Tales of the Border," "Romance of Western History," and many other published works.
5. When the Mormons departed for Utah, they left a large bell hanging in the Nauvoo Temple which was subsequently burned. Brigham Young later had the bell brought to Salt Lake City by ox cart. It is now enshrined in a Campanile on Temple Square in that city.
6. Speed. The Sucker State established many records during its time on the upper Mississippi River, 1860 to 1872.
7. 1833.
8. Both the Chicago and North Western, and the Illinois Central, began suburban service for Chicago in 1856; Waukegan and Hyde Park being the respective ends of the line for such travel.
9. Robert Fulton, the inventor of the steamboat.
10. Rhode Island.

Home Swimming Pools Can Be A Hazard

Home swimming pools can be a hazard as well as a blessing in the summertime, as everyone knows. But many people don't realize that when they shut down their pool for the winter, some of the hazards remain.

"Owners of home swim pools should take special precautions at the end of the swim season," says Hans Grigo, safety expert at the National Safety Council. "An unprotected pool, even if it is empty, can be dangerous to unsuspecting children who wander near it."

"The greatest hazard is created when rain water or snow is allowed to collect in an unused pool," advises Grigo, a technical consultant in the Council's home department. Even a few inches of water are enough to drown a small child.

Here are some pointers from the Council on how to make your pool safe during the months it's not in use, and to make it winter-proof, too.

First, drain the pool. To prevent water from collecting during the winter, make sure that the valve on the drain stays open, and that debris covering the drain opening is cleared off at regular intervals. If you use a pump to get the water out, you may need to activate it periodically to pump out water that has collected in the pool.

If you have a cover for your pool, keep it in place during the off-season. The cover will provide some protection against accidents, but it should not be expected to do the job alone.

Disconnect electrical equipment such as pumps and lights—unless, of course, you plan to use the lights during the winter. The pump can easily be connected again if you need it to remove residual water.

Store chemicals for treating the water where children cannot get at them. Keep the chemicals uncontaminated and in their original containers. Be particularly careful with powdered chlorine, since it can cause a fire if it comes into contact with an organic substance. Good places to store chemicals are a dry basement, a weather-proof shed, or the garage.

Wooden and metal equipment such as ladders and diving boards should be protected against the harsh winter weather. Take the equipment inside or cover it with a heavy sheet of plastic.

And finally, if you have a fence around the pool, be sure that the gate is locked for the winter. This should help to prevent any possibility of the pool becoming a hazard to unwary children.

Council statisticians report that drownings in home swimming pools have tripled in the last five years. "Homeowners must take the responsibility for making their pools safer so that this trend does not continue," says Grigo. Why not start this autumn to make your pool safer for your family and neighbors?

Illinois History Published

In cooperation with the Illinois Sesquicentennial commission, Inland Steel company has published an illustrated 4,500-word history of Illinois by Paul M. Angle, historian and authority on Illinois and Lincoln.

The history is included as an 8-page one-sheet fold-out in the fall issue of "Chicago" magazine and will be distributed free to Illinois schools and libraries. Copies also will be given to state governmental officials and legislators.

Illustrated with 16 four-color illustrations, two maps, and 16 pen-and-ink drawing of notable Illinoisians, the "One-Leaf-Book" capsulizes 295 years of Illinois history from 1673, when Marquette and Joliet voyaged up the Illinois and Chicago rivers to Lake Michigan, to today.

Publication of the history was sponsored by Inland, the nation's seventh-ranking steel producer and the only one of the industry's "Big Eight" headquartered in Chicago, to mark the 75th anniversary of Inland's founding in 1893 and to assist in the celebration of Illinois' 150th year of statehood.

Its author, Paul M. Angle, is currently secretary of the Chicago Historical society. He has published 14 major historical works, including eight on Abraham Lincoln.

Taxpayer Is Not Loser In Check Fraud

The mysterious "James L. Stults," who passed 22 bad checks in central Illinois during the summer of 1967 on a fictitious account of the Illinois state Auditor, is kiting again, this time in Georgia.

The First National Bank of Springfield, Ill., refused to honor two checks for \$98.83 each, kited by Stults this summer. One was cashed in the Brooks supermarket, Columbus, Ga.; the other in Johnson's supermarket, Augusta, Ga.

The checks bear printed lines, "Auditor of the State of Illinois" and "Payroll Account No. 346-750," as if to indicate the bearer is an employee of the Auditor's office.

They do not resemble official checks of the state of Illinois. They are on paper stock, signed by a phony "Loy Noble." Official Illinois state checks are on cards, key-punched with little, square holes, signed by Auditor Michael J. Howlett and countersigned by Treasurer Adlai Stevenson III.

Auditor Howlett warned retail stores to be sure they know the endorser personally before cashing checks as a convenience to customers.

The phony Stults presents a

NICE Meeting Sept. 30

More than 200 public school administrators and teachers from 37 school districts will convene at Northern Illinois University Monday, September 30 for a meeting of the Northern Illinois Cooperative in Education (NICE).

The meeting, which is scheduled to begin at 8:30 a.m. in the University Center, is the first of three conferences to be held on "the development of self-concept among school youth."

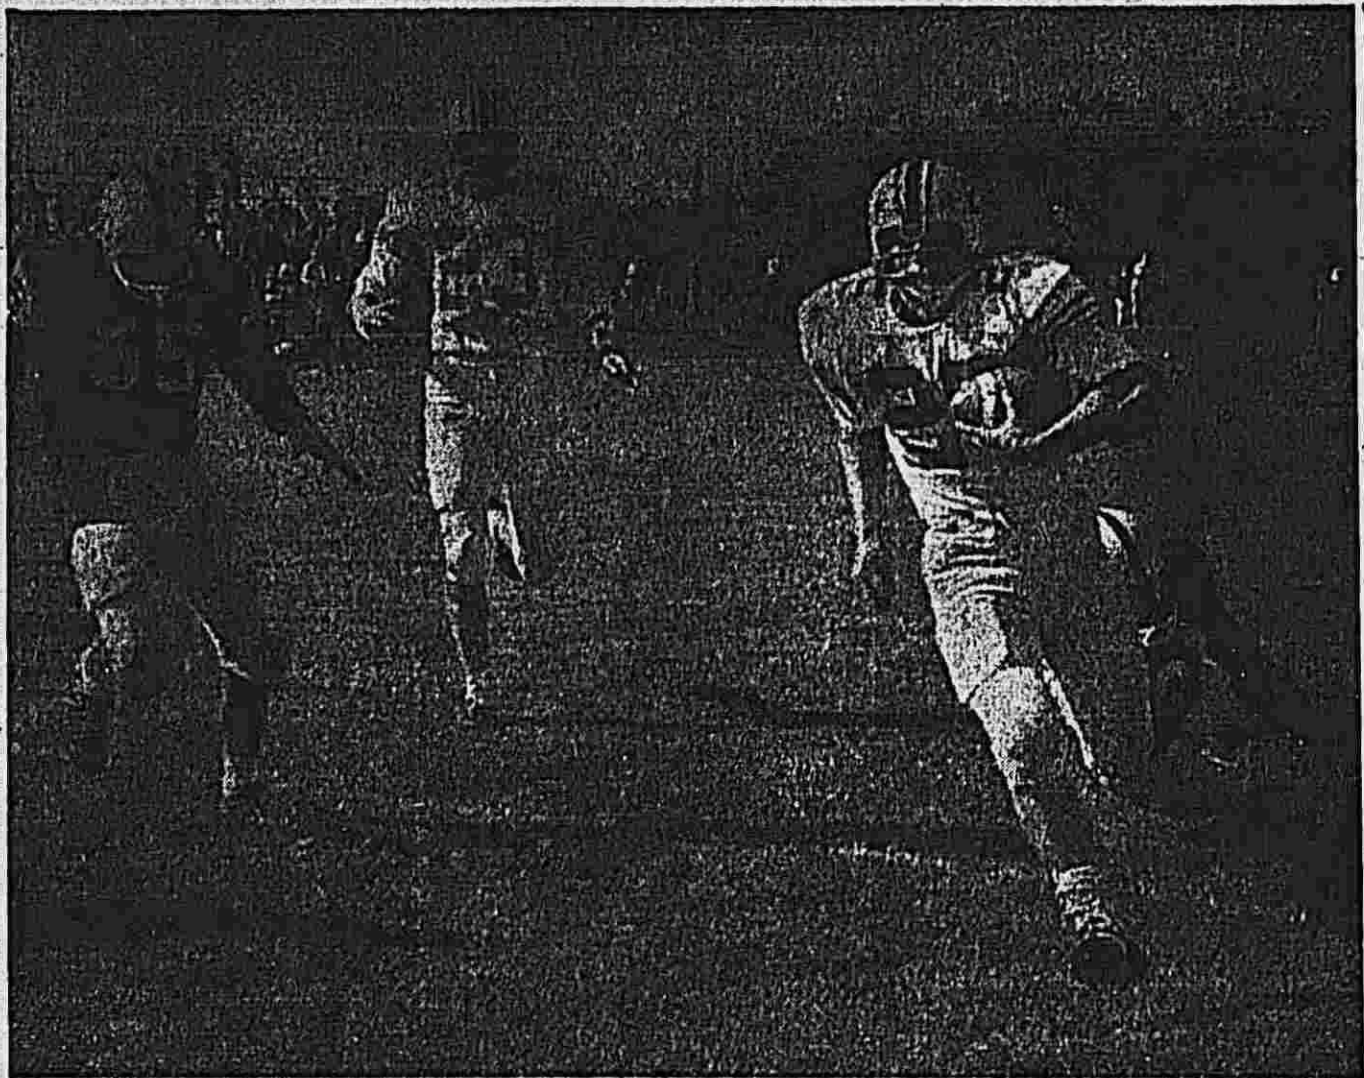

At the morning session Dr. Cameron W. Meredith, professor of educational psychology, Southern Illinois University, will present research findings related to the self-concept.

Following the noon luncheon, Dr. Marvin English, from the National College of Education, Evanston, Ill., will present approaches to the development of the self-concept.

Dr. Earle W. Wiltse, NIU professor of education and executive secretary of NICE will preside over a panel consisting of: Dr. Robert F. Topp, dean, NIU College of Education; Dr. John H. Johansen, NIU professor of education, Meredith, and English.

Future NICE conferences, dealing with other phases of the "self" are scheduled for January and April of 1969.

The NICE organization represents the northern 23 counties in Illinois.

Dave Camp carries the ball on way for a touchdown in game with Lake Zurich last Saturday.

Sequoits Skin Bears 33-7

Camp and Carlson Score 5 Touchdowns

From the opening kickoff it was apparent to all who went to Saturday's game that Roy Nelson's Sequoits were a much improved football team.

The powerful Antioch squad had no trouble handling Lake Zurich its first defeat of the season 33-7.

The Sequoits' Dave Camp turned in another fine performance by scoring 3 touchdowns and picking up valuable yardage to give himself a 7 yard-average per carry for the 2 games he has played. Jim Carlson turned in a nice performance also by grabbing two of Steve Owens' passes for TD's and intercepting two of Lake Zurich's.

Quarterback Owens also set some minds spinning with his superb signal calling and passing accuracy. He complete 11 of 17 for 125 yards and 2 touchdowns.

Head Football Coach Roy Nelson is mighty proud of his boys. The Sequoits beat Salem in their first game of the year and beat Lake Zurich Saturday. The boys are ready to collar the Grant Bulldogs Saturday.

It seems that he may have the edge on the Q.B.'s in the league, including the over-publicized McCarty of Round Lake and Smiley of Warren. Asst. Coach Ted DeRousse said of Owens, "Steve does a fine job calling plays. We only sent in 2 or 3 the whole game. He has a real football mind and knows how to set up plays and what to call under most situations."

The highlight of the day was Dave Camp's 80 yard kickoff return in the third quarter. Dave's only comment afterwards was, "A 11 I did was run, those linemen did a swell job of blocking. It was the biggest hole I've ever seen, so I just ran through it and scored."

The first score came with 9:24 left in the second quarter when Lou Nielsen tackled Lake Zurich's punter in their end zone, following a bad snap from center.

Lake Zurich then kicked from their 20 and Antioch ran it back to the Bears' 30. After a few line plunges Owens completed a pass to Carlson for the score. Effinger's kick was good and the Sequoits led 9-0.

Following Antioch's kickoff Lake Zurich got to the Sequoits before fumbling. Tom Lasco recovered and a few plays later Owens hit Carlson for 46 yards and another Antioch score. Effinger's kick was wide and the score was 15-0 Antioch at half-time.

In the third quarter Lake Zurich's punter was again dopped

after a bad snap and Antioch took over on the Bears' 25. With 8:28 left in the quarter, Dave Camp went over from 10 yards out. The point after was blocked and the score was 21-0 Antioch.

Antioch kicked off to Lake Zurich and the Bears started a march from their own 40 and scored on a 1 yard quarterback sneak. The point after was good and Antioch led 21-7 with 4:14 left in the third quarter.

Lake Zurich kicked off and Dave Camp flashed into the end zone for an 80 yard return. The point after was no good and with 4:02 left the score was 27-7 Antioch.

Antioch's final score came after Jim Carlson intercepted a Lake Zurich pass on Antioch's 35 and returned it to Lake Zurich's 30. Dave Camp scored from 4 yards out with 3:08 left in the game. Nelson's kick was blocked and the final score was 33-7 Antioch.

The Sequoits are looking forward to collaring the Bulldogs of Grant this Saturday as they open up their home season.

Jim Carlson, end, is another promising regular on the Antioch varsity football team. Carlson scored two of the Sequoits touchdowns in the Lake Zurich game last Saturday.

Auto Racing Waukegan Speedway

First Race 8:00 p.m.
PACE CAR COURTESY G. L. MILLER DODGE

Final Races Sat. & Sun. Waukegan

Jim Cossman, 1968 Waukegan Speedway late model champion, took the feature lead in the eighth lap Saturday night and breezed to his second consecutive feature win. Next, Saturday night will be the final late model card of this season, Mike Wolff of Lake Villa was second and Harry Gutche was third.

In the preliminary events Wolff finished just ahead of Cossman in three events. In both time trials and the trophy dash Wolff was second while Cossman was third and then in the fourth heat race, Wolff carried the checkered flag with Cossman in hot pursuit for second.

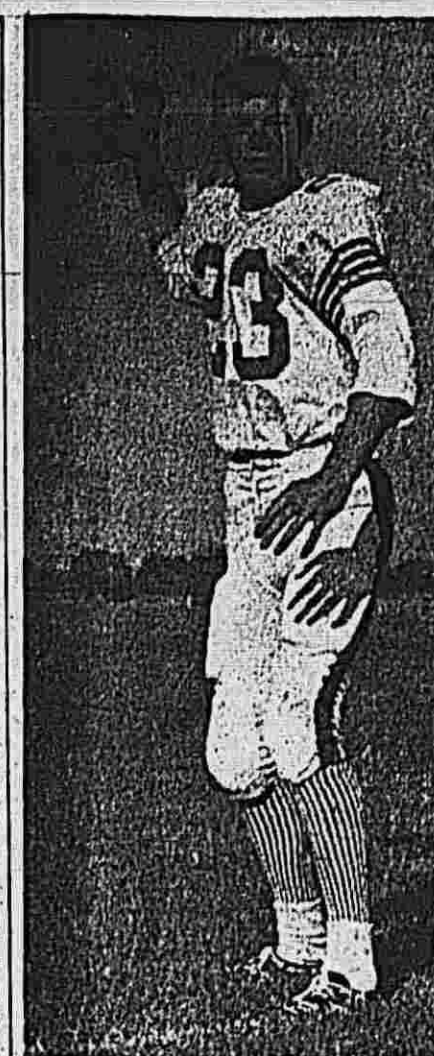

Odell Jones, guest driving Al Hagerty's Chevelle, set the fastest qualifying time, but then dropped out of competition after the fan shaft broke and the fan went through the radiator.

Jim Luther was the only late model double winner of the evening as he won the first heat race and then passed Jerry Learsch on the outside with four laps remaining to win the semi-feature race.

SUNDAY RACES
 Whitey Harris survived an eighth lap pileup and drove on to win the 30 lap modified feature at the Waukegan Speedway Sunday night. Roger Von Otto finished second and Claude Potter took third money.

Next Sunday night will be the final evening of modified competition for the 1968 season at the Waukegan Speedway. The first race is scheduled for 8 p.m.

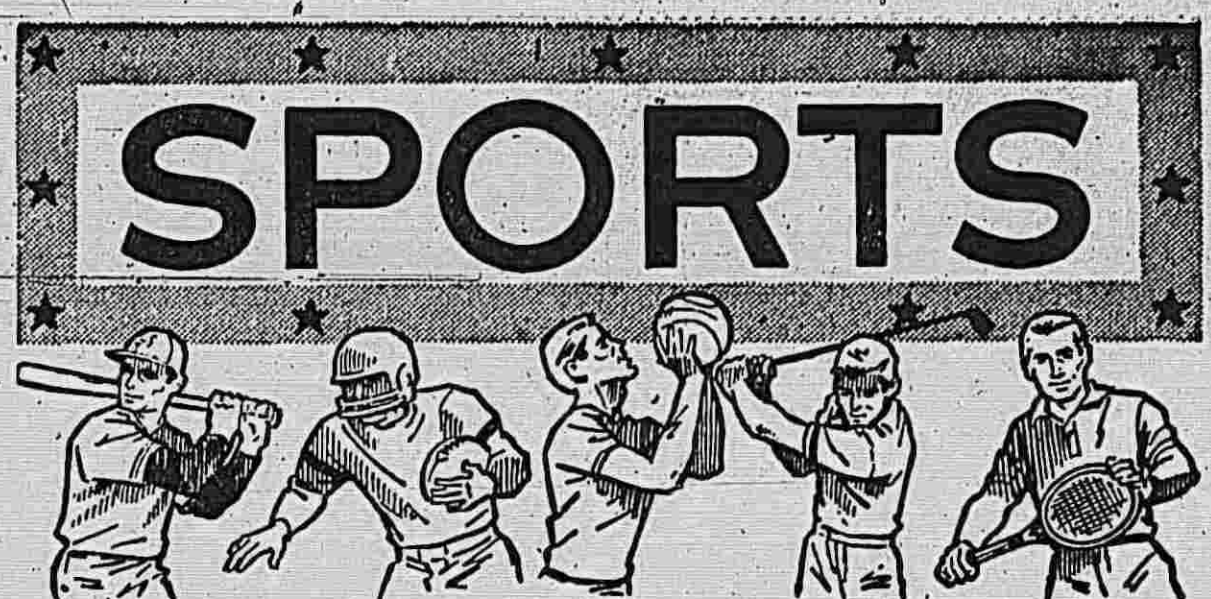

John Reimer set fast time of the evening with a 16.73 clock-

ing. Dick Duston with :00.07 behind and Harris was :00.11 behind Duston for third. Claude Potter won a hotly contested STP dash by the closest margins over Roger Von Otto and Reimer.

Chuck Chadwick won the hobby stock feature after Charles Belcher nearly flipped while leading as he climbed atop the backstretch wall. Tom Reuss took second money after a close race with Frank Ginn. Earlier in a

heat race Ginn spun out while finishing second and mowed down starter Frank Pinder's flags.

Anderson Enters Races At Rockford

Tommy Anderson of Antioch, a popular Interstates Racing Association modified stock car driver, has entered the National Short Track Championship Races at the Rockford Speedway on Saturday and Sunday, Sept. 28-29.

Anderson, who finished fourth in IRA super-fast modified stock car point standings at Wilmet, 5th at the Waukegan Speedway and 7th at Rockford, will drive a 1966 Chevrolet owned by Bob Anzinger of Antioch.

While Tommy did not win any of the main events at Rockford, his ability there was never doubted and this will give him an advantage over the 100 or more other drivers entering the two day event that offers a purse of \$9,000.

Free camping facilities are available on the Rockford Speedway grounds for race fans who wish to stay over night and take advantage of the free dancing and entertainment following the Saturday night racing.

Bowling News

MONDAY NIGHT TAVERN SEPTEMBER 23

Paty's Lounge continued to roll, winning two games from The Angels. Bob Gossman, 200-531, for Paty's and Arnie Colby, 189-531, on The Angels.

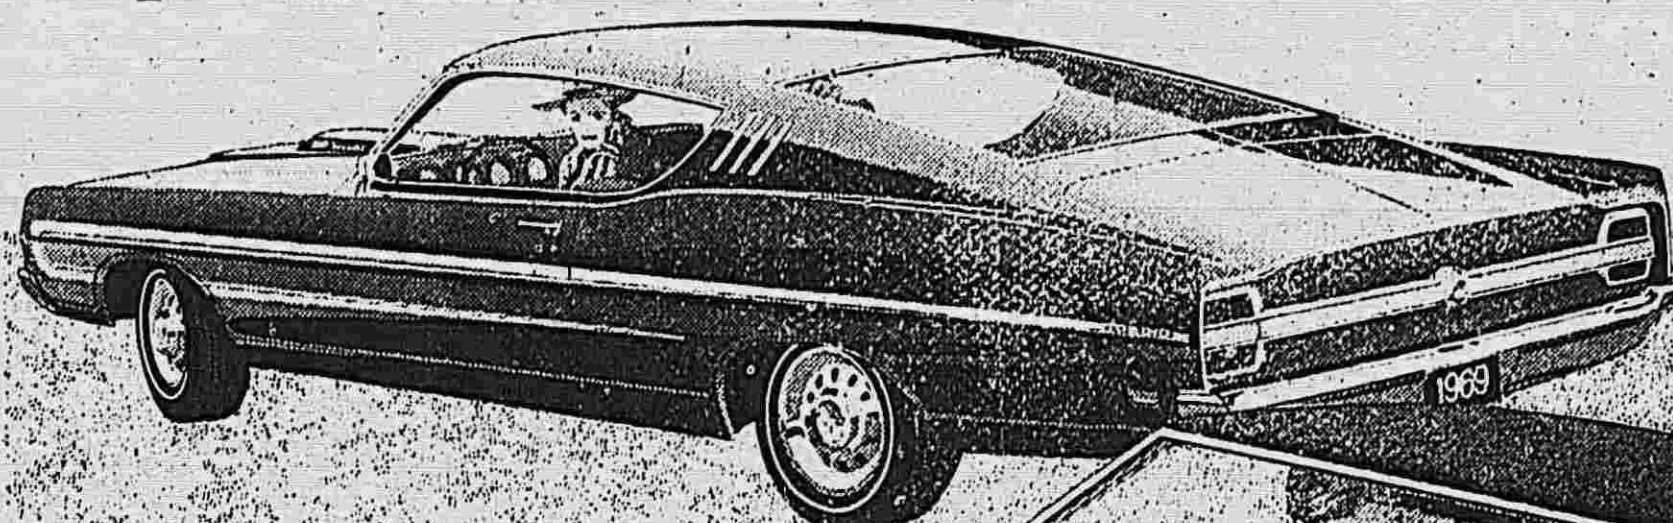

Rolling the only 600 plus in the league for the evening, Erv Keroson, 180-234-201-615, paced Helvetia Hotel to the league team high series (2619) but dropped two games to George Hoeck-Stadt, 191-540, and The Fiddlers' Green team.

Paced by Jack Crandall, 200-589, and giving away 90 pins a game, Old Hickory Tavern lost three games to Cole's Tavern. (Continued on page eight)

1969 Mustang SportsRoof

THE '69 FORDS ARE HERE TODAY!

1969 Torino GT SportsRoof

1969 LTD by Ford, 2-Door Hardtop

1969 Mustang.
 All new, all over! 5 great models. More engines than ever.

They're like no Mustangs you've ever seen before! Longer. Wider. Roomier. Front and back. And far, far sportier. Take the new Mustang Mach 1. Or luxurious Grandé. Choose hardtop, sports-roof or convertible. Then dip into a long list of options and design your Mustang.

1969 Torino.
 The winner's back for more... with two hot new Cobras to boot!

Torino for '69 comes on just as hot or as luxurious as you please. Engines range all the way up to a 428-cu. in. Cobra Jet Ram-Air V-8. For Torino spirit with extra savings added, choose from eight new '69 Fairlanes. See all 52 of the new '69 Fords today.

1969 Ford.
 Longer. Wider. Quieter. And alone in its class.

For 1969, Ford tracks as wide as Cadillac. Smooths your ride with a longer wheelbase than Chevrolet. Has more front headroom and legroom than a Chrysler Imperial. The '69 Ford LTD is designed to ride even quieter than the LTD that rode quieter than Rolls-Royce.

The place you've got to go to see what's going on—Your Ford Dealer.

Sequoit C.C. Win Two More

The Antioch Varsity Cross Country Team chalked up a 4 win-and-no-loss record when they outran Round Lake last Thursday 15-44 and Wauconda Tuesday 22-39.

In the Round Lake meet, the top five runners were all Antioch men. They were: 1st, Chuck Denman; 2nd, Clarence Archer; 3rd, Tom Effinger; 4th, Keith Church; and 5th, Jim Maier.

Chuck Denman was the leading runner at Wauconda and has stood undefeated in three meets. Keith Church was third, Clarence Archer fifth, Bill Calloway 6th and Bob Biaggi 7th.

Biaggi came back after being ill, and is expected to do much better in future meets.

Lake Forest comes to Antioch today (Thursday) and Antioch will go to Crystal Lake for an invitational meet Saturday.

The Lake County meet will be held at Waukegan on Tuesday.

Soph C.C. Defeat R. L. and Wauconda

Antioch's sophomore harriers defeated Round Lake last Thursday 19-36. The top leading runners were Bob Osmond, Gary Racine and Rick Weiss.

The sophs also defeated Wauconda Tuesday 8-37. Bob Osmond was the leading runner and stands undefeated in four meets. His time compared favorably to varsity runners. John Pederson was 2nd; Gary Racine 3rd and Rick Weiss 4th.

The sophomores will take on the Lake Forest cross country team Thursday when Lake Forest comes to Antioch. The sophs now have a record of two wins and 2 losses.

L.V. Woman Attends State Tax Institute

Tax experts from more than 50 Illinois communities attended sessions of Northern Illinois University's fifth annual State Tax Institute.

Julia Chonis of 713 Hillside Drive, Lake Villa; an Auditor for the Illinois Dept. of Revenue, Springfield, attended the meeting.

The NIU College of Business will sponsor its ninth annual Federal Tax Institute Thursday, Oct. 17.

Reservations are requested by Oct. 10 and should be made with Thomas A. Stark, NIU accounting instructor, who is coordinator for the federal tax session.

Parents Visit Son At Annapolis

Mr. and Mrs. Kenneth Swim of Indian Point recently returned from Annapolis where they attended a Parent's Open House Weekend at the naval academy and had a visit with their son, Midshipman Fourth Class Russell W. Swim.

On being interviewed, Mrs. Swim said: "We had a wonderful trip. It was good to see Russell again, and he is doing fine. We noticed that he seems more matured than when he left home in June."

"We had a complete tour of Annapolis including Bancroft Hall, and were guests at a reception where we met the officers and many of the other parents."

"Out of 1300 boys in Russell's class, only 27 boys had no family representation at this open house. When you consider that the boys come from as far away as Hawaii and Alaska—this was an excellent attendance."

Swim has completed his initial phase of Midshipmen indoctrination at the academy. During the ten weeks of summer training, he and other "Plebes" were intro-

Midshipman 4th Class Russell Swim in front of Bancroft Hall, Annapolis, Md.

Correct Car Registration Applications

Some motorists apparently are not reading the instructions on the printed applications for 1969 registrations. Of the approximately 100,000 applications already submitted to the Secretary of State's office, a few have been accompanied by notes calling attention to needed corrections rather than having the corrections entered on the applications.

Secretary Paul Powell also advised passenger car owners who do not receive a pre-printed application in the mail by Sept. 10 to secure a blank application through the usual outlets, such as currency exchanges, automobile dealers, notaries public and similar sources.

Only one mailing of the pre-printed applications is being made, and any that are returned by the postal authorities as undeliverable cannot be forwarded again, Mr. Powell said.

duced to and met the standards of discipline, conduct and performance required of Midshipmen.

He spent hours on the drill field, days on the rifle range and more hours sailing in the academy's 26 foot sailboats.

Russ took his parents for a sail in the knock-about on the Severn River.

During the summer, the companies had competition which included drills, marching, athletics and a talent show. Russ' Company M made the high honors in the color competition for the summer. The winning company received extra town liberty for the Labor Day weekend as part of their reward.

DEER PERMIT QUOTAS FILED

Deer permit quotas have been filled in Carroll, Jo Daviess, Hardin, Peoria, Marshall, Fulton and LaSalle Counties, according to an announcement by the Illinois Department of Conservation last week.

Donations To Rescue Squad

Recent donors to the Lions Rescue Squad Fund include:

Norman D. Rockow, Don Pittman Motors, Mr. and Mrs. Henry Glenn, Frank Taticek, Fred Guenther, Mr. and Mrs. Peter Yasz, Arthur Karczewski, Joseph Vendl, O. T. Knutson, Roger Stahl, Mrs. Harriette, Bernard H. Berke D.D.S., Mr. and Mrs. Wm. Bannell, Mr. and Mrs. Albert Sodman, Harry F. Rogers, James H. Harvey, Mr. and Mrs. Jerry Rockow.

A.A. Groups To Meet At Illinois State Park

About 400 members of Alcoholics Anonymous and representatives of A. A. Groups in Northern Illinois will gather at the Illinois Beach Park Lodge north of Waukegan the weekend of Sept. 28 and 29 for their annual conference and business meeting. Theme of the conference will be "Unity and Fellowship." Members of the Alton Family Group and Alateans will also participate. Activities will start Friday evening with a get-together and open meeting at the Waukegan Alano Club, 1421 Glen Rock Avenue. Saturday's program will include a series of panel presentations on such subjects as Industry and the Alcoholic, A. A. and the Community, The Family and A. A., New Members—Unity, Recovery,

Service, with question and answer periods. Saturday evening will feature a talk by John L. of Tecumseh, Mich., with the meeting to be followed by a dance. There will be a business meeting Sunday morning and a banquet at noon with the principal speaker a recovered alcoholic from Phoenix, Ariz., George G. Several people who are NOT members of A.A. will take part in the various programs, including Mayor Bruce Dunbar of Zion, Mayor Robert Sabonjian of Waukegan, Dr. Carl Meyer, Medical Director of Abbott Laboratories, Charles Fisher, Personnel Director of Snap-On Tool Corp., Kenosha, Rev. James L. Anthony, Rev. James L. Anthony, Rev.

Autumn Driving A Problem

During the past summer we had much beautiful weather to enjoy, but from now until Christmas we can expect some of the worst. Rain is sure to ruin many autumn outings, many trips to games,

Leslie McGladrey, John Perkins, Executive Director of the Chicago Council on Alcoholism and James Curtis, Executive Director of the Lake County Council on Alcoholism.

The conference is open to all members of Alcoholics Anonymous and their families. Any individual in the community with a direct interest in solving the problems of the illness, Alcoholism, would be welcome at the various sessions.

THE ANTIOCH NEWS 9 THURSDAY, SEPT. 26, 1968

many routine drives to and from work.

Rain quickly slows traffic to a crawl. Worse yet, it causes streaky windshields and obscures drivers' vision. The Highway Visibility Bureau points out that 90% of driving decisions depend on sight.

If you wear glasses, be sure they're clean when you drive. Be sure your windshield is clean and your windshield wiper equipment - arms, blades, and washers - is in top condition.

Wiper arms should exert a pressure against the windshield of an ounce to each inch of blade length. If pressure is right and wiper still streaks, it means the blade is dead and calls for replacement or refill.

Headlights should be accurately aimed and all lights in working order.

New higher interest rates on Savings Bonds and Freedom Shares

Now U.S. Savings Bonds pay 4 1/4%,
new Freedom Shares pay 5%.

Today, Savings Bonds are a better investment than ever. Now they pay 4 1/4% when held to maturity. And new Freedom Shares pay a full 5% when held to maturity.

Freedom Shares are still sold on a one-for-one basis with Series E Bonds, but now you can buy the combination *any time* at your bank—and not just on a regular monthly plan as before.

The higher interest rate on Savings Bonds applies not only to the new ones you buy, but to your older ones too for their remaining period to maturity—generally effective with the first full six-months interest period beginning on or after June 1. (Outstanding Freedom Shares are not affected).

Buy Bonds and New Freedom Shares—help yourself even more as you're helping your country.

U.S. Savings Bonds/ New Freedom Shares

The U.S. Government does not pay for this advertisement. It is presented as a public service in cooperation with the Treasury Department and The Advertising Council.

Chris Hunt Tells About Exciting Trip

Swimming in the Aegean Sea and Mediterranean; visiting the Acropolis and Athens; having an audience with the Pope in Rome and hearing at that very moment that Russian troops had invaded Czechoslovakia and witnessing the reactions of the many Czechs who were in the group—as they heard the chilling news;—being in Jerusalem at the time three bombs were dropped on the city;—visiting the Catacombs and Coliseum in Rome;—does it sound exciting? Well it all happened to a pretty 16 year old Antioch Carmel High School Senior by the name of Chris Hunt.

Chris was a member of a Foreign Language High School Tour which visited Austria, Greece, Israel and Italy.

Chris said good-bye to family and friends on July 18 and didn't get home again until Aug. 23. She flew to Philadelphia and went sight-seeing there for a day and left next afternoon for Vienna via Austria Capitol Airlines.

"It was the biggest jet I've ever seen," said Chris—"it carried 250 people—all students. We made the trip in nine hours and it was a smooth ride. Some of the kids were a little bit scared at first—but managed to relax before the trip was over."

"We arrived in Vienna—and it was raining. We toured the summer castle of a former Emperor—and went walking in the rain, seeing the sights. The people were very friendly and the boys were nice—not aggressive like the Greeks and Italians."

"We flew to Greece and lived in Athens where we studied Ancient Civilizations for two weeks at St. Paul University."

"Greece is a rocky country but we saw tobacco, tomatoes, olive, fig and peach trees growing and there was an abundance of goats. The people of Greece were quite westernized and very friendly. The men were too friendly and followed the young girl tourists chanting 'I love you, I love you.' They were actually more aggressive than the Italian men."

"Quite a few people in Greece spoke English or French. We saw archaeological groups digging—and there many college students assisting in these projects. In the museums, we saw many beautiful artifacts from the past—mostly sculptured items dating 2000 years before Christ. They were beautiful."

"Temperatures averaged in the 90's during the day and it was pleasant, but not humid. There was always a breeze. We went swimming in the Aegean and Mediterranean and the water was so clear we could see down 10 feet. There didn't seem to be any water pollution problem in Greece. We visited many of the Greek islands where Greek city girls spend their summers."

Chris continued. "The mayor of Athens gave a reception for our group. He gave a speech, and it sounded like a lot of propaganda to me. He tried to explain the recent exile of the Greek King. He told us students to go home and tell America that

it was done for the good of the people."

"Food in Greece? Well if you liked olive oil, you were in luck. I didn't and everything was prepared in olive oil—fish, hamburgers with rice and tomatoes, but there was lots of watermelon, figs, etc. I didn't like the french fries in olive oil. Most of us drank 'Fix' an orange carbonated pop or water with our meals. Goat's milk was on the menu—but it didn't sound too appetizing."

From Greece, Chris flew to Tel Aviv. Tel Aviv was a beautiful and modern city, according to Chris, and quite different from the Old Jerusalem which they visited. They arrived in Old Jerusalem at 4 a.m. and were enthralled at the sight of the beautiful old walls of Jerusalem which were lit up in the early morning hours.

"Our group stayed at Ritz Hotel and we learned that the Israeli army spent six days in this hotel during the recent war."

"We visited the Dead Sea and went swimming. The water was 25% salt and when you tried to stand, you just floated. We visited the Museum of the Dead Sea Scrolls and went to Bethlehem and Nazareth."

"While in Old Jerusalem, a little boy started talking to us and invited us to his home. We walked down dirty streets and came to a courtyard door which we were led through. The courtyard was so clean and beautiful—that we were surprised. The little boy was a member of an Arab family and he had thought we were English. When the father learned we were Americans, he said: 'I'm sorry, but I cannot let you stay in my house.' After talking to him for awhile, he became very friendly and hospitable. He served us turkish coffee which I loved. It was quite spicy. This Arab gentleman declared that the country belonged to the Arabs for 3000 years and should rightfully belong to them now. He did not feel that it should be divided and insisted that Israel should be Arab country."

"At the Wailing Wall, we saw many crying and 'wailing'. We met a teen age Jewish girl, 'Karen'. She said: 'This is Jewish land, and we will fight for it to our death.' Next month she was going to take her turn at serving in the army."

"The people of Israel were very friendly and hospitable. While we were in Jerusalem, three bombs were dropped on the city—but none of us were injured. The day after we left Tel Aviv, the new war started and all tourists were evacuated."

"We witnessed an historic moment in Rome as while we were having our papal audience, it was announced that Russian troops had invaded Czechoslovakia. There were many Czechs in the audience and we witnessed their various reactions to this sad news. Some cried—others prayed."

"The catacombs in Rome which dated back to the first century A.D. were a series of caves and tunnels underground. Here the early Christians met, lived, worshipped and buried their dead."

"Pinching on the part of men in Rome was made illegal," said Chris but some of the policemen still pinched the girls. The Italian boys were quite amusing. They would drive their little cars onto the sidewalks and offer girls rides and proposals of matrimony."

"We visited Florence and were enthralled with the art museums, and we even saw some Rembrandt originals. I bought an art reproduction by Lippi, one of my favorites."

"Rome was a beautiful city—and the people took such pride in their buildings and fountains. We visited the coliseum, the Appian Way and saw the ancient Roman aqueducts."

"This trip gave me a marvelous education—I learned more in six weeks than you can imagine, and visiting all of these places broadened my ideas on the world and people tremendously. The tour was terrific."

Chris is the daughter of Mr. and Mrs. Robert Hunt of David Street, Antioch. After high school graduation she hopes to attend St. Procopius College in Lisle to major in Music and Education.

ACHS Plans Homecoming

"Sequoia Storybook" has been chosen by the Antioch High School Student Council as this year's homecoming theme. Plans for this annual event to be held on Oct. 11 and 12, are now under way.

Activities will include a bonfire and pep rally on Friday night starting at 7 p.m., and a parade beginning at 10 a.m. Saturday followed by the football games against Warren at 12 noon. Rounding up the activities will be

the semi-formal dance on Saturday night. Coronation of the Homecoming Queen will be at 10:30 p.m.

Student Council members who will work as committee chairmen are: John Prossie, publicity; Don Jackson, bonfire; Gary Lischewski, queen and court; Bryan Sorcnson, band; Roma Andrews, Alumni book; Tom Nickerson, Field decorations and Sockhop; Pat Johnson, pins; Karen Sheehan, Refreshments; Mickey Temple, inside decorations; and Debbie York, parade.

U. S. Public Health Service gave the University of Illinois \$8.6 million in research grants in 1967.

Area Gives \$602.11 To Salvation Army

Doughnut Day taggers in Antioch, Lake Villa and Lindenhurst raised a total of \$602.11 for the benefit of the Salvation Army on its thirtieth annual tag day held June 7.

Antioch's share was \$335.77; Lake Villa contributed \$174.23 and Lindenhurst \$92.11.

The Antioch Woman's Club sponsored the drive in Antioch and Mrs. William Brook acted as Antioch chairman.

Mrs. Fred Bartlett, Sr., was chairman for Lake Villa and Mrs. Lester Bunkelman served as co-chairman. The Lake Villa VFW Auxiliary sponsored the drive.

THE ANTIOCH NEWS 10 THURSDAY, SEPT. 26, 1968

Mrs. Theodore Flanagan was chairman for Lindenhurst.

The contributions help support the Salvation Army's program of emergency assistance and social welfare services for the troubled men, women and children of the Greater Chicago area. Twenty per cent of the funds raised in the local drives will remain with the community residents serving as local treasurers for the Salvation Army and will be available for emergencies or disasters in the communities and to finance unduplicated programs of health care or other service.

Report On TB Shots

The Lake County TB Association reports that there were six positive reactions to the TB test shots given at Antioch High School last week.

In addition to the freshmen and sophomores at the school, students from certain grades in the Channel Lake, Antioch Grade School, Oakland and St. Peter's School also were tested.

Those having the positive reaction will be given chest X-rays. The shots do not prove that the individual has TB, but merely that he has been in contact with the disease.

The Lake Co. TB Association will test children in 200 schools in Lake County this year.

PONTIAC ANNOUNCES THE GREAT BREAK AWAY!

This is the year to say good-bye to humdrum driving!
'69 Wide-Track Pontiac Grand Prix.

If you've never driven a car like this before, that's because there's never been a car like this Pontiac Grand Prix before. So new, it's got its own 118" wheelbase. So new, it's got its own aircraft-type interior. A new steering wheel with a "soft" material rim. With a Wide-Track on big tires. With a new hidden radio antenna we're daring everybody to find.

Or maybe you'd like to break away with a brand-new Firebird. With typical Wide-Track handling and a range of available V-8 choices that'll make your head spin (including the fabulous 400 Ram Air option). Brand-new styling, too. Lean, clean, ready looks. Plus 13 exciting new colors... new anti-theft ignition, steering and transmission lock.

There's also The Great One. Our GTO, the one that started it all. Complete with baseball-bat-proof bumper, fully padded instrument panel, distinctive Redline tires, along with specially designed suspension. Plus an assortment of V-8's that'll make your break from dull driving just about as pleasing as any you've ever made.

And don't forget our luxurious Bonneville. With a standard, 360-hp, 428-cubic-inch V-8, a long, long 125" wheelbase, a new upper-level ventilation system, color-keyed energy absorbing bumper at both front and rear, plus the kind of interiors you'd like to install at home. Bonneville. Who needs more?

120227 10

THE NEW '69 GRAND PRIX, BONNEVILLE, BROUGHAMS, EXECUTIVES, CATALINAS, GTO's, LE MANS, CUSTOM S, TEMPESTS AND FIREBIRDS ARE AT YOUR AUTHORIZED PONTIAC DEALER'S NOW.
